Dear Mr. Rainey:

We have received the assignment of Mrs. Pauline C. Wiemers to E. E. Eskew and Jessie Eskew in connection with the above referenced water license.

We wish to advise you, however, that the Department has no procedure for changing the records of ownership once a permit has been licensed. When a license is issued, it becomes appurtenant to the land and ownership is automatically conveyed with the land unless it is specifically withheld in the sale transaction.

We will place the assignment in our file for future reference as to present ownership. If you have any questions regarding this matter, please contact us.

Sincerely,

D. DARLENE REICH
