Transfer No. 4840 was filed to combine and add a new point of diversion, and create a permissible place of use under Right Nos. 63-03280, 63-03368, 63-07933 & 63-07993.

No physical change will occur to the irrigated acres. The system is combined by buried and portable mainlines and the transfer reflects the combined existing system under these rights. One new well will be added to the system to provide the full licensed rate of diversion. A total of four wells will provide 8.60 cfs for the irrigation of 835 acres under these rights.

Season of use and diversion volume were adjusted to current standards. Recommended conditions include drilling permit requirements, irrigation overlap, future annual reporting, multiple points of diversion/measuring devices, combined right limits and standard transfer conditions.

Wilma Mae Thornton

Dear Mrs. Thornton:

A representative from our department has made an examination of the works covered by your permit No. 63-3368 and has found that you are diverting water from two wells rather than just one, as listed on your permit. In order to have the well located within the SE $\frac{1}{4}$ NE $\frac{1}{4}$ Sec. 1, T. 1 N., R. 1 W., B.M., covered by your water license, it will be necessary for you to amend your permit. We are enclosing a partially completed amendment form for your convenience. Please sign the amendment and return it to this office with a \$5 amendment fee.

The department is prepared to license Permit No. 63-3368 for 4.6 c.f.s. (of which 3.08 c.f.s. is licensed under Permit No. 63-3280). The water is to be diverted from two wells for irrigation of 375 acres of land within W $\frac{1}{2}$ NW $\frac{1}{4}$ Sec. 6, T. 1 N., R. 1 E., B.M., and NW $\frac{1}{4}$, SE $\frac{1}{4}$ Sec. 1, T. 1 N., R. 1 W., B.M. The maximum quantity diverted shall not exceed 1,687 acre feet per season and the priority date established is September 17, 1963. If you agree with these findings, please remit licensing fees of \$25 within 30 days of the date of this letter.

Please return the signed amendment and a total of \$30 in fees as soon as possible.

Very truly yours,

Donald W. McEldowney
