Re: Siebelink/Stam Transfers

The purpose of this letter is to acknowledge that Margrieta M. Stam and the Estate of Herke Stam (hereinafter collectively "Stam") have agreed and hereby consent to the transfer of a portion of water right license No. A63-03141 (hereinafter the "water right") to Jan Siebelink.

It is Stam's intent to transfer a portion of the water right from its present place of use in Section 1, Township 1 North, Range 3 West, Canyon County to the Siebelink property located in Section 35, Township 1 North, Range 3 West, Canyon County. The water right presently is being used for irrigation, and it is understood that it will be converted to a stock water / domestic right and used in connection with the Siebelink's 2000 head dairy operation.

Stam agrees to work with the Siebelinks and the Idaho Department of Water Resources to accomplish the above-referenced transfer.

(b) _____ dry x _____ g/d/dry x 365 d/yr = _____ g/yr
