Rt. # 4
Nampa, Idaho

Dear Mr. Schober:

This acknowledges the Notice of Proof of Completion of Works & Application of Water to Beneficial Use on Permit No's. G-25486 and G-25487. The proofs are to be made at 10:00 A. M., on the 17th day of March, 1959, before John Brandt, 206½ 12th Ave. South, Nampa, Idaho.

As of this date we have mailed the Notice to the Idaho Free Press, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then to mail the affidavit of publication and statement of costs to you.

It is important that the enclosed depositions - one complete set for each permit) be executed by you and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the place, on the date, at the time and before the Notary, as advertised. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, the Notary's seal has been placed on each and that all depositions (Holder and two witnesses - for each permit) are being returned. Also be sure to enclose the Affidavit of Publication.

Very truly yours,

GEO. N. CARTER
