NOTICE OF PROOF OF COMPLETION
OF WORKS
AND APPLICATION OF WATER
TO BENEFICIAL USE

Notice is hereby given that at 10:00 a.m., on the 20th day of November, 1957, at Kuna, County of Ada, State of Idaho, before Geo. W. Grebe, Kuna, Idaho, Notary Public, proof will be submitted of the completion of works for the diversion of .80 cubic feet per second of underground waters from a well, and of the application for beneficial use of said water, in accordance with the terms and conditions of Permit No. G-25289 heretofore issued by the Department of Reclamation of the State of Idaho.

1. The name and postoffice address of the person or corporation holding said permit are George E. Krueger, Rt. No. 3, Meridian, Idaho.

2. Said works of diversion will be fully completed on the date set for such completion, and the amount of water which said works are capable of conveying to the place of use is .80 cubic feet per second.

3. The use to which said water has been applied is irrigation and domestic purposes, and the amount applied to beneficial use is .80 cubic feet per second.

4. The point of diversion of said water is SE 1/4 NE 1/4 of Sec. 11, Twp. 2 N., Rge. 1 W., B. M.

5. The place where said water is used is SE 1/4 NE 1/4 of Sec. 11, Twp. 2 N., Rge. 1 W., B. M.

6. The date of priority which said user is prepared to establish is November 24, 1954.

Mark R. Kulp, State Reclamation Engineer.

Pub. Oct. 17, 24, 31, Nov. 7, 1957

PROOF OF PUBLICATION

State of Idaho, }
County of Ada, } ss.

I, Patricia A. Smith, being first duly sworn, depose and say, that I am over twenty-one years of age, and Chief Clerk of THE MERIDIAN TIMES, a weekly newspaper of general circulation, published at Meridian, County of Ada, State of Idaho, and that the annexed notice was published in said paper once each week for 4 consecutive weeks, the first publication being on the 17th day of October, 1957, and the last publication being on the 7th day of November, 1957.

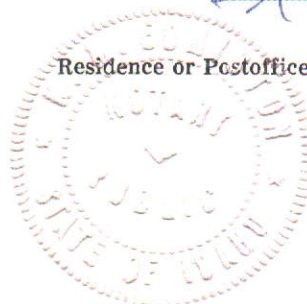

That said notice was published in the newspaper proper and not in a supplement. That said newspaper had been continuously and uninterruptedly published in said county for a period of 78 consecutive weeks prior to the first publication of this notice, and is a newspaper within the meaning of the Idaho statutes.

Patricia A. Smith
Chief Clerk

Subscribed and sworn to before me this 8th day
of November, 1957.

K. M. Elunston

CONTRACT FOR EXCHANGE OF REAL PROPERTY

13 03008
63-3409
SEP 01 1988

THIS AGREEMENT, executed in quadruplicate and entered into this 11th day of September, 1988, by and between George G. Krueger and Ruth I. Krueger, husband and wife (Owner of property of greater value in the exchange)

Francis A. Patterson and Eunice . . Patterson, husband and wife hereinafter called the second party, and the undersigned broker

WITNESSETH: That the first party agrees to sell and convey unto the second party, and the second party agrees to purchase from the party, at and for a purchase price of Sixty-three thousand & no/100 Dollars (\$63,000.00)

that certain property described as follows, to-wit: Containing 163 acres more or less: N 1/4 N & W of Painter Lateral and N of King Canal except tax 1 N 1/4 N 1/2 lying between Luna Canal and Painter Lateral Section 12 2N 1E - SEE RE: Section 11; 2 N 1E D.E. in Ada County, State of Idaho, free and clear of all encumbrances excepting none Dollars (\$)

which encumbrances are included in the purchase price of \$. And in payment of the purchase price of the above described property, the second party agrees: (a) To assume the above mentioned encumbrances of \$. (b) To pay the first party in cash \$9,000.00. (c) And to sell and convey to the first party, and the first party agrees to accept from the second party at and for an agreed price \$34,000.00 that certain property described as follows, to-wit:

6531 Fairfield Avenue Lot 5 Block 6 Randolph Robertson Subdivision #2 and that certain contract between the second party herein and William D. Huckstep on the Idaho City Warm Spring resort in Ada County, State of Idaho, free and clear of all encumbrances excepting none additional information on the back hereof is a part hereto:

Each party shall furnish forthwith to the other an abstract of title prepared by a reliable abstract company showing, or a policy of title insurance insuring, as of this date or subsequent, good and marketable title to the real property which he herein agrees to convey, free of all encumbrances excepting only those above stated; preliminary to closing, either party may furnish to the other a title insurance company's preliminary report showing its willingness to issue title insurance on his property and such report shall be conclusive evidence as to the status of such party's title; but any such report shall not excuse the party furnishing same from delivering the title insurance policy aforesaid. Each party shall, on

30 days after delivery of said abstract, or title insurance policy or preliminary report, in which to examine same and a further period of 30 days after delivery of written notice of defects to correct defects in his title, should any such appear. Each party hereto agrees to accept the other's property subject to city or county zoning ordinances and to such reservations in federal patents and building and use restrictions and covenants as may appear of record and none of the same shall be deemed for the purpose and within the meaning of this agreement as an encumbrance on the property. Encumbrances on either property which are to be discharged and removed by the owner thereof may be paid at such owner's option at time of closing out of moneys to be received by such owner in this exchange from the other party hereto.

Each party agrees to convey his respective property to the other by good and sufficient warranty deed. Deeds shall be delivered and transaction closed within 90 days from this date. Each party covenants and agrees to and with the other that he is the owner in fee simple of his respective property, that the same is free of all encumbrances except as above stated and that he has good right to sell and convey the same.

And in consideration of the mutual promise herein contained and further agreed that should either party hereto fail to perform and carry out his part of this agreement, such party, so failing, shall pay all of the brokers' commission below provided for, this promise being made directly to said brokers' benefit.

The undersigned brokers agree to aid and assist in consummating the foregoing exchange:

Brokers: S & S Realty (Seal) George G. Krueger (Seal) Ruth I. Krueger (Seal)

NOTE--The wives of the contracting parties must also sign the above agreement.

I hereby ratify and confirm the employment of S & S REALTY real estate broker, to find and procure a purchaser for my property above described and in consideration of services performed by said broker negotiating and bringing about the foregoing sale, hereby agree to pay said broker forthwith a commission of Two thousand six hundred fifty & no/100 Dollars. I further acknowledge receipt of a duly executed copy of the above exchange contract and of this commission agreement.

George G. Krueger (Seal) Francis A. Patterson (Seal)

I hereby ratify and confirm the employment of S & S REALTY real estate broker, to find and procure a purchaser for my property above described and in consideration of services performed by said broker negotiating and bringing about the foregoing sale, hereby agree to pay said broker forthwith a commission of none Dollars. I further acknowledge receipt of a duly executed copy of the above exchange contract and of this commission agreement.

Term Expires March 30, 1972

Note: George Krueger purchased this property from Floyd Robinson. The well on Section 12 was 20704

and you have given it a new number 63-2725 - This well has a 30 HP Motor on it & it is the oldest irrigation well in this area. This same motor is still in use today as described in the legal description.

I had to drill a new well because the one Mr. Krueger had drilled was crooked and I couldn't keep a set of bowls in it.

The new well ~~is~~ drilled by Mrs. Davis is near the well drilled by Mr. Krueger. This well still has the same motor as originally installed by Mr. Krueger on Section 11

"EXHIBIT A"

The SW 1/4, Section 11, Township 2 North, Range 1 West, Boise Meridian.
Also, that part of the Northwest Quarter of the Northwest Quarter of Section 12, Township 2 North, Range 1 West, Boise Meridian, Ada County, Idaho, lying West of the center line of the Painter Lateral.

Also, that part of the Southeast Quarter of the Northwest Quarter of said Section 12, Township 2 North, Range 1 West, Boise Meridian, lying North of the center line of the Ana Canal. AND the following described tract: Beginning at the West Quarter corner of said Section 12, running thence North along the Section line 170 feet, more or less, to the North line of the Ana Canal, the west point of beginning; thence continuing North along the section line 760 feet; thence East parallel to the West line of said Section 12 a distance of 100 feet; thence South parallel to the West line of said Section 12 a distance of 340 feet, more or less, to the North line of the Ana Canal; thence Northwesterly along the North line of the Ana Canal, through its various courses and distances, 300 feet, more or less, to the real point of beginning.

Also, that part of the Northwest Quarter of the Southeast Quarter of said Section 12, Township 2 North, Range 1 West, Boise Meridian, lying North of the center line of the Ana Canal, West of the center line of the Painter Lateral.

Also, that part of the Southwest Quarter of the Northwest Quarter of said Section 12, Township 2 North, Range 1 West, Boise Meridian, lying West of the center line of the Painter Lateral.

Also, all that part of the Southeast Quarter of the Northwest Quarter of said Section 12, Township 2 North, Range 1 West, Boise Meridian, lying North and West of the center line of the Painter Lateral.

Also, all that part of the Northwest Quarter of the Southwest Quarter of said Section 12, Township 2 North, Range 1 West, Boise Meridian, lying North of the center line of the Painter Lateral, said tract being bounded on the South, West and East by the center line of the Painter Lateral.

Containing with the above described land any and all water rights and irrigating ditches belonging or in anywise claiming thereto and especially including, but not limited to the following: All subterranean water developed by those two certain wells under permit No. 25209 and permit No. 20740, issued by the Idaho State Department of Reclamation.

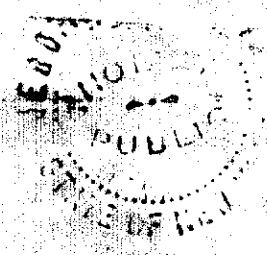

Together with all right, title, and interest in and to, but not limited to, the following:

1. A casing-Turbine pump, Serial No. T-10975, with a 30 horsepower, U. S. Motor, operated in connection with the well under permit No. ~~25209~~ 20704

Re: Permit No. G-25289

Mr. George E. Krueger
Route #3
Meridian, Idaho

Dear Mr. Krueger:

Our field engineer's report on his inspection of proof of completion of works and application of water to beneficial use under the terms of Permit No. G-25289 shows the well is capable of conveying 39 miners' inches (.78 c.f.s.) of water for irrigation of 39 acres.

Upon receipt of the statutory fees, totalling \$7.00, we can issue the Certificate of Completion of Works (five dollars) and the License and Certificate of Water Right (two dollars) confirming the right with priority of November 24, 1954, to your use of .78 second foot of subterranean water, with the point of diversion in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 11, for irrigation of 39 acres in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 11, Township 2 North, Range 1 West, B.M.

Very truly yours,

MARK R. KULP
State Reclamation Engineer
By

Chief Clerk

25289

STATE OF IDAHO
DEPARTMENT OF RECLAMATION
BOISE, IDAHO
REPORT OF ENGINEER

Permit No. G-25289

This proof is for Completion of Works & Beneficial Use In Water District No. _____

1. Name of applicant George E. Krueger

2. Source of water supply: Subterranean flow from a well

3. Location of point of diversion: Is in the SE 1/4 NE 1/4 of Section 11

T. 2 N R. 1 W., B. M. County of Ada

4. Describe works as they exist, giving dimensions and capacities of same: Well = 12" x 125'
h = 80' Motor = 25 hp. U.S. Pump = Layne Bowler Turbine.
Col = 120' x 6" Well built shade conc base. Meter on pole to East.
Delivery to North thru short 6" pipe into irrigating
ditch To Fields by gravity.

5. Water is used for: Irrigation

6. State whether or not water has been turned into works of diversion: yes.

7. List legal subdivisions of lands to be irrigated. If proof is for beneficial use, give exact number of acres under cultivation in each forty-acre tract. (Describe manner and place of use if other than irrigation):

SE 1/4 NE 1/4 of Sec. 11., Twp. 2 N., Rge. 1 W., B. M.

Approx. 1 acre lies across the canal and no
provision is yet made to pipe the water under
the canal to it.

(Submit map on attached plat, showing location and details of above description.)

8. What large stream would the water here appropriated finally reach?

Remarks: not measured. But motor is large
enough to pump 65 inches of water from
the bottom of the well.

Water in this well fluctuates with the season
and with the pumping.

Considerable sand has been pumped. Claims
75 yards of gravel used to gravel pack well.
Has choke valve on outlet pipe so that it could
be restricted to yield of well during the development

This examination was made on the 6 day of March, 19 58 min.

(Signed) E. J. Humphrey Examiner.

INSTRUCTIONS TO EXAMINERS

1. Always carefully note the location of the point of diversion and accurately plat same.
2. When proof is for beneficial use, carefully check up the number of acres actually irrigated in each forty and accurately plat same.
3. Make a map showing the correct location of streams and ditches, and the irrigated lands, and any adjacent permanent landmarks; such as towns, lakes, large streams and public roads.
4. If any unusual conditions are discovered, make plain statement of them under remarks.
5. Always see the holder, if possible, and go over the whole ground with him and make your report only upon actual existing facts and conditions.
6. Give general characteristics of soils, topography, and crops raised.

RE: Permit No. G-25289

Mr. George E. Krueger
Route #8
Meridian, Idaho

Dear Mr. Krueger:

We acknowledge receipt of the Deposition of the Holder and two witnesses, also affidavit of publication in The Meridian Times, all submitted in proof of completion of works and beneficial use on Permit No. G-25289.

Before final action is taken in the matter, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made, but our field engineer will try and contact you at the time he makes the examination so that arrangements may be made to show him over the grounds.

Very truly yours,

MARK R. KULP
State Reclamation Engineer

Permit No. G-25289

Proof of Application of Water to Beneficial Use

and Completion of Works Deposition of Holder

Ques. 1. State your name, residence, occupation and postoffice address.

Ans. George E. Krueger, Route 3, Meridian, Idaho.

Ques. 2. If acting in behalf of corporation, state its name, principal place of business (if a foreign corporation, give name of postoffice of statutory agent), your position with reference to same, and your authority for appearing in its behalf.

Ans. _____

Ques. 3. State number and date of permit, and date of priority you propose to establish under the permit.

Ans. Permit No. G-25289, Date Dec. 8, 1954, Priority Date - Dec. 8, 1954.

Ques. 4. State source of water supply and give exact location of point of diversion.

Ans. Subterranean Flow

Ques. 5. Describe your works of diversion, and state amount of water they are capable of conveying from point of diversion to place of use, and give name of canal or ditch or other works by which water is conducted to such place of use. If a well, state depth of well, depth and size of casing and depth to water. If pump is used, state discharge of pump and tell how it was measured or determined. If sprinkler irrigation, give number and size of nozzles and operating pressure.

Ans. Well, depth 125 ft. Casing 10". Capacity discharge 40 miners inches.

Pump located on 40 acres to be irrigated by ditches from the pump.

Ques. 6. State for what purpose water is used and describe place of use. (If for irrigation, name each subdivision in which used, and number of acres in each subdivision that have actually been irrigated with said water.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. Water to be used for irrigation of SW $\frac{1}{4}$ -NE $\frac{1}{4}$ Sec. 11. T2N, R1W, B.M.

38 acres of said land has been irrigated from said pump and produced crops of beans and wheat.

G-25289

Ques. 7. If for other than irrigation purposes; state how applied, amount of horse power generated, etc.

Ans. _____

Ques. 8. What is the minimum amount of water required for the purpose specified above?

Ans. 40 miners inches.

Ques. 9. If you are not the person or representative of the corporation to whom above mentioned permit was originally issued, please state how ownership was acquired by present holder.

Ans. _____

Ques. 10. State when, how, in what amount and to what extent the water diverted under above mentioned permit has been used.

Ans. Water has been used on said land in the amount of 40 inches since April 1955. It has been diverted from the pump into ditches and conveyed through feeder and lateral ditches to the various crops and tracts on said 40 acres of land.

Ques. 11. State when, how, in what amount and to what extent waters other than those diverted under the above mentioned permit have been diverted and applied to beneficial use upon the lands herein described. Give full particulars regarding such other appropriations and rights claimed thereunder.

Ans. None

(Sign) George E. Kneiges

I hereby certify that the foregoing testimony was read to the above subscribed before its signing, that I believe him to be the person he represents himself to be, and that said testimony was subscribed and sworn to before me, at my office in Kuna, County of Ada,

State of Idaho, on this 20th day of November, A. D. 1957.

Proof of Application of Water to Beneficial Use
Deposition of Witness *and Completion of Works*

The deposition of two witnesses, on this form, taken separately, required in each case.

Ques. 1. State your name, age, residence, occupation and postoffice address.

Ans. Truman Taggart, Age 42, Res. Rte 6, Nampa, Ida. Farmer

Ques. 2. Are you acquainted with George E. Krueger, the holder of Permit No. G-25289? How long have you known him and where does he reside?

Ans. Have known him about 15 years. He resides on Rte 3, Meridian Idaho.

Ques. 3. Have you read or heard read said Permit No. G-25289, and are you familiar with its provisions and conditions?

Ans. Yes

Ques. 4. State source of water supply, place of diversion, and describe works for conveying water from point of diversion to place of use.

Ans. Subterranean Flow. Pump and ditches.

Ques. 5. How many second feet of water do you estimate said works will safely conduct to place of use, and how much water have you seen being so conveyed?

Ans. 40 miners inches.

Ques. 6. (Pumps) How much water in cubic feet per second, miner's inches, or gallons per minute have you seen the pump deliver, and how did you measure or estimate the amount?

Ans. 40 m³ miners inches, estimated.

J 25289

Ques. 7. State for what purpose water is used and at what place. (If for irrigation, give each subdivision in which water has been used and number of acres irrigated in each subdivision.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. ~~Water used to irrigate crops of beans and wheat on 38 acres~~
~~in the SE $\frac{1}{4}$ -NE $\frac{1}{4}$ Sec. 11, T2N, R1W, B.M.~~
~~Improvements consist of leveling, constructing ditches and~~
~~laterals to convey the water to the land.~~

Ques. 8. If for power or other purposes than irrigation, state how water has been applied and to what extent.

Ans. _____

Ques. 9. (If for irrigation) state character of land that has been reclaimed, and give your estimate of the amount of water required for its profitable cultivation.

Ans. ~~Good volcanic ash soil which will require 40 miners inches~~
~~during the irrigation or summer season to produce crops.~~

Ques. 10. Have you any interest in the works, water or lands above mentioned? If so, in what way and to what extent?

Ans. ~~No~~

Ques. 11. State when, how, in what amount and to what extent you have witnessed the application to beneficial use of water diverted under said permit.

Ans. ~~I saw the amount of 40 miners inches of water from said~~
~~well and pump applied to beneficial use on said 40 acres of~~
~~land during the irrigation seasons of 1956, 1956 and 1957.~~

NOTICE OF PROOF OF COMPLETION
OF WORKS
AND APPLICATION OF WATER
TO BENEFICIAL USE

Notice is hereby given that at 10:00 a.m., on the 20th day of November, 1957, at Kuna, County of Ada, State of Idaho, before Geo. W. Grebe, Kuna, Idaho, Notary Public, proof will be submitted of the completion of works for the diversion of .80 cubic feet per second of underground waters from a well, and of the application for beneficial use of said water, in accordance with the terms and conditions of Permit No. G-25289 heretofore issued by the Department of Reclamation of the State of Idaho.

1. The name and postoffice address of the person or corporation holding said permit are George E. Krueger, Rt. No. 3, Meridian, Idaho.

2. Said works of diversion will be fully completed on the date set for such completion, and the amount of water which said works are capable of conveying to the place of use is .80 cubic feet per second.

3. The use to which said water has been applied is irrigation and domestic purposes, and the amount applied to beneficial use is .80 cubic feet per second.

4. The point of diversion of said water is SE $\frac{1}{4}$ NE $\frac{1}{4}$ of Sec. 11, Twp. 2 N., Rge. 1 W., B. M.

5. The place where said water is used is SE $\frac{1}{4}$ NE $\frac{1}{4}$ of Sec. 11, Twp. 2 N., Rge. 1 W., B. M.

6. The date of priority which said user is prepared to establish is November 24, 1954.

Mark E. Kulp, State Reclamation Engineer.

Dear Mr. Krueger:

This acknowledges receipt of the Notice of proofs of completion of works and application of water to beneficial use under Permit No. G-25289, to be made at Kuna at 10:00 A.M. on the 20th day of November, before Geo. W. Grebe, Notary Public.

As of this date, we have mailed the Notice to the Meridian Times with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and to then mail the affidavit of publication and statement of costs to you.

In completing the enclosed depositions, it is very important that they be executed by you and two disinterested witnesses, who are familiar with the terms and the work done thereunder, at the time, date, place and before the Notary as advertised in the publication Notice, as well as all other necessary information. The signatures and the Notary's seal are essential.

When returning the depositions to this office, please be sure to include the affidavit of publication.

Very truly yours,
