Re: Permit No. G-24296

Mr. Mike W. Cayler
Route # 4,
Caldwell, Idaho

Dear Mr. Cayler:

We are returning your Proof of Completion of Works and Application of Water to Beneficial Use in connection with Permit No. G-24296, for the following corrections.

Please answer Question 6 of the Holder's deposition in more detail and also Question 7 of each of the Witnesses' depositions.

We observe under the Notice of Proof of Completion of Works and Application of Water to Beneficial Use, the affidavit of same which we are returning with the depositions, state that the proof should have been made at 10:00 A. M. on the 12th day of July, 1958. We note that your proofs were notarized on the 11th day of July, 1958. Therefore it will be required that you furnish this department with an affidavit signed by Mr. W. E. Fogt stating that his office was open for business on July 12, 1958 and that no person or persons appeared at his office or before him to protest the Proof of Completion of Works And Application of Water to Beneficial Use, in connection with Permit No. G-24296, either written or verbal.

It will also be necessary to furnish this department with an affidavit stating the reason why the depositions were not signed on the 12th day of July instead of the 11th of July. This is to protect the legality of the permit.

Kindly make the corrections and return the depositions, together with the affidavits to this department.

Very truly yours,

GEORGE W. CARTER

Caldwell, Idaho

Dear Mr. Cayler:

This acknowledges the Notice of proof of completion of works and application of water to beneficial use under Permit No. G-24296. This proof is to be made on 12th day of July at 10:00 A.M. before Earl Fogg, Notary Public.

As of this date we have mailed the Notice to the Caldwell News Tribune with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then to mail the affidavit of publication and statement of costs to you.

It is important that the enclosed depositions be executed by you and two disinterested witnesses, who are familiar with the terms of the Permit and the work done thereunder, at the place, on the date, at the time and before the Notary as advertised. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, the Notary's seal has been placed on each and that all depositions (Holder and two Witness) are being returned. Also be sure to enclose the Affidavit of Publication.

RE: Permit No. G-24296

Date May 1, 1958

M. W. Cayler
Route #6
Caldwell, Idaho

Dear Sir:

The date for proofs of completion of works and application of water to beneficial use, as set out under the terms of Permit No. G-24296 are due not later than July 14, 1958.

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list which has been recorded in this department. If changes have been made on no amendments are on record, we advise that you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least forty (40) days before the above mentioned date, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point or points of diversion; and the location of use or the lands which are irrigated--all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with Form 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named and before the notary public, as advertised in the publication notice.

Very truly yours,
