ATTENTION: Mr. Robert L. Alexanderson

Dear Mr. Alexanderson:

We acknowledge receipt of your letter of April 1 enclosing corrected depositions of Mr. Charles V. Harris and two witnesses in proof of completion of works and beneficial use on Permit No. G-23946.

This completes the proof but before final action is taken, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made but our field engineer will try and contact Mr. Harris at the time he makes the examination so that arrangements may be made to show him over the grounds.
