RE: Permit No. G-25293 & G-23512
Glen C. Knapp

Mr. E.W. Ellingson
1215 Blaine
Caldwell, Idaho

Dear Mr. Ellingson:

Mr. Glen C. Knapp informed us that you are to take care of his affairs in making his final water proofs on the above captioned Permits.

This acknowledges receipt of Notice of proofs of completion of works and application of water to beneficial use, to be made before you, as Notary, at 10:00 A.M. on the 8th day of January 1958.

As of this date, we have mailed the Notice to the Caldwell News-Tribune with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and to then mail the affidavit of publication and statement of costs to you.

In completing the enclosed depositions, it is very important that the Permit holder and his two disinterested witnesses, who are familiar with the terms and the work done thereunder, execute the depositions before you, as Notary, at the time, date and place as advertised in the publication Notice, as well as all other information asked for. The signatures of the holder and witnesses, and, your Notary seal are essential.

When returning the depositions to this office, please be sure to include the affidavit of publication.

Very truly yours,

MARK R. KULP
State Reclamation Engineer

STATE OF IDAHO

DEPARTMENT OF RECLAMATION

RE: Permit No. G-23512

Date November 1, 1957

Mr. Glen C. Knapp
Route #6
Caldwell, Idaho

Dear Sir:

The date for proofs of completion of works and application of water to beneficial use, as set out under the terms of Permit No. G-23512 are due not later than January 14, 1958.

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper with the county.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least forty (40) days before the above mentioned date, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed on, for what purpose it is used, the point or points of diversion and the location of use or the lands which are irrigated--all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with Forms 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named and before the notary public, as advertised in the publication notice.

Very truly yours,

MARK R. KULP
State Reclamation Engineer
