RE: Permit No. G-23239

Date September 1, 1957

Bunting Tractor Co., Inc.
P.O. Box 1978
Boise, Idaho

Dear Sir:

The date for proofs of completion of works and application of water to beneficial use, as set out under the terms of Permit No. G-23239, are due not later than November 19, 1957.

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least forty (40) days before the above mentioned date. This form, filled out in duplicate, is to include the time of day, the date (allowing for four weeks publication), the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place that is convenient for you and your two witnesses), the quantity of water filed on, for what purpose it is used, the point or points of diversion and the location of use or the lands which are irrigated--all by legal land description.

Also enclosed is Form 11, which is the authorization for us to have the notice of proof published in the designated county newspaper, at your expense. This is to be returned with Forms 36.

At the time we send the notice to the newspaper, we will also send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named and before the notary public, as advertised in the publication notice.
