RE: Address Change

To Whom It May Concern:

On June 7, 1999 the Nampa City Council approved to eliminate the "Central" addressing area within the City of Nampa address area. This will affect approximately 2000 addresses in the city. This change will not only change the number of the address but will also, in most cases, change the street name of the address as well. Please make sure when you change this address to change both number and street name as shown below. The zip code will stay the same.

The property affected by this change is located at:

1011 Central Pitt Lane

This address will change to the new address of:

31 South Pitt Lane

Sincerely,

A handwritten signature in cursive script that reads "Pam Larkin".
