This is to advise you that we represent the widow of F. G. Carlson, who is also the Executrix of the decedent's estate. The above water right is appurtenant to land under Contract of Sale from the deceased and his surviving widow and I assume that the Certificate should be assigned by the surviving widow to the contract purchaser.

We will appreciate if you would furnish us with the necessary forms and instructions so as to effect this transfer to the contract purchaser.

Thanking you for your favor in this matter, I am,

Dear Mr. Carlson

Statutes requires a field inspection in connection with the proofs on Permit # G-22690 before license and certificate of water right can be issued.

Such inspection and report on same is required for any and all permits being brought to license within this State.

An inspecting Engineer from this Department requests that you or someone familiar with the terms of the permit and representing you be prepared to accompany him on the inspection, on Thursday, May 23, 1957,

at approximately 9:00 A. M.

If he cannot get in touch with you by phone or otherwise he will drive to the well location or point of diversion given in the permit.
