PROOF OF PUBLICATION

County of Ada, }
State of Idaho, } ss.

Hatha A. Johnson
~~Lloyd Tupling~~, being first duly sworn, on oath says that he is the principal clerk of THE IDAHO PIONEER STATE-WIDE, a newspaper of general circulation, published weekly by The Pioneer Publishing Co., Inc., publishers and printers thereof, at Boise, County of Ada, State of Idaho;

That the annexed notice was published in said newspaper once each and every week for 4 consecutive weeks, the first publication being on the 17th day of August, 1950, and the last publication being on the 7th day of September, 1950;

That the said newspaper has been published continuously and uninterruptedly in said county during a period of more than seventy-eight consecutive weeks prior to the first publication of the attached notice.

Hatha A. Johnson
Principal Clerk.

Subscribed and sworn to before me this 9th day of September, 1950.

Albert J. Lockhart
Notary Public.

(Seal)

My commission expires May 10, 1952.

NOTICE FOR PUBLICATION NOTICE OF PROOF APPLICATION OF WATER TO BENEFICIAL USE

Notice is hereby given that at 2:00 p.m. on the 11th day of September, 1950, at Boise, County of Ada, State of Idaho, before Letha Williams, Notary Public, proof will be submitted of the application to beneficial use of 0.02 cubic feet per second of the waters of a well in accordance with the terms and conditions of Permit No. 21533 heretofore issued by the Department of Reclamation of the State of Idaho. The name and postoffice address

of the person or corporation holding said permit are Wayne F. Vickery, Route 4, Boise, Idaho.

The use to which said water has been applied is irrigation and domestic purposes.

The amount applied to beneficial use is 0.02 cubic foot per second.

The place where said water is used: East 106 feet of Lot 1, Beverly Acres Subdivision, located in the S $\frac{1}{2}$ S $\frac{1}{2}$ NW $\frac{1}{4}$ Section 18, Twp. 3 N., Range 2 E., B. M.

The right to take water from such works is based upon Permit No. 21533.

The source of supply from which such water is diverted is subterranean flow from a well on the land above described.

The date of priority which said user is prepared to establish is June 7, 1950.

MARK R. KULP,
State Reclamation Engineer.
4669-t4-Aug. 17 to Sept. 7, 1950.

STATE OF IDAHO
DEPARTMENT OF RECLAMATION
BOISE, IDAHO
REPORT OF ENGINEER

Permit No. 21533This proof is for Beneficial use In Water District No. _____

1. Name of applicant Wayne F. Vickery, Route 4, Boise, Idaho
2. Source of water supply: Subterranean flow from a well.
Beverly Acres Subdivision, located in the S $\frac{1}{2}$ S $\frac{1}{2}$ NW $\frac{1}{4}$
3. Location of point of diversion: Is in the E. 106 ft. of Lot 1/ of Section 18
T. 3 N. R. 2 E. County of Ada
4. Describe works as they exist, giving dimensions and capacities of same: The pump, motor, tank and controls are in a concrete pit 54" wide x 7' long x 5' deep. Top of pit entrance is slightly above level of surrounding ground. Entrance is thru a 15" length of 24" culvert pipe. Cover is a round steel plate. Well extends down from bottom of pit. It is 138' deep x 4" diameter. Cased down 122 feet. Water height was 44' at first, now it is 34' to 36'.
5. Water is used for: Irrigation and domestic purposes.
6. State whether or not water has been turned into works of diversion: Yes.

7. List legal subdivisions of lands to be irrigated. If proof is for beneficial use, give exact number of acres under cultivation in each forty-acre tract. (Describe manner and place of use if other than irrigation):

East 106 feet of Lot 1, Beverly Acres Subdivision, located in the S $\frac{1}{2}$ S $\frac{1}{2}$ NW $\frac{1}{4}$
Section 18, Twp. 3 N., Range 2 E., B.M.

See Map.

(Submit map on attached plat, showing location and details of above description.)

8. What large stream would the water here appropriated finally reach?

Remarks: Motor is G.E., 1 h.p., 220 volts, single phase, 60 cycle, 3450 r.p.m.
Pump is an air jet type - Berkeley - manufactured in Berkeley, California - bought from
Woods on 15th & Main in Boise. Pump #490J272, Model 106. Outlet pipe - 1". The tank
is 42 gallon capacity, operating pressure is 50 lbs. per square inch.
Pump was checked at 670 gallons per minute when installed. It delivers more now. (Says Vickery)
There is a 1" pipe line to both the house and the work shop. Point of diversion is
located 4 $\frac{1}{2}$ yards East of Vickery's West fence and 63 yards North of the center of McFullen
lane. This is supplemental water. It was installed to furnish water for an orchard
in late summer.

This examination was made on the 24th day of January, 19 51

Re: Permit No. 21533

Mr. Wayne F. Vickery
Route 4
Boise, Idaho

Dear Mr. Vickery:

We have placed on file the depositions of yourself and two witnesses, also Affidavit of Publication in Statewide, all in Proof of Beneficial Use under your Permit No. 21533.

Before final action is taken in the matter, the law requires that a field examination be made by an Engineer from this Department.

We are unable to say just when this examination will be made as this Department has but one Field Engineer who makes examinations all over the State.

However, the Field Engineer for this Department will try and contact you at the time he makes the examination in order that you may arrange to show him over the grounds.

Very truly yours,

MARK R. KULP
State Reclamation Engineer

Permit No. 21533

Proof of Application of Water to Beneficial Use

Deposition of Holder

Ques. 1. State your name, residence, occupation and postoffice address.

Ans. Wayne F. Vickery, East 106 feet of lot 1 Beverly acres
subdivision, gunsmith, Boise Idaho R 710 #4

Ques. 2. If acting in behalf of corporation, state its name, principal place of business (if a foreign corporation, give name of postoffice of statutory agent), your position with reference to same, and your authority for appearing in its behalf.

Ans. _____

Ques. 3. State number and date of permit, and date of priority you propose to establish under the permit.

Ans. #21533, June 14 1950. June 14 1950

Ques. 4. State source of water supply and give exact location of point of diversion.

Ans. Well on East 106 feet of lot 1 Beverly acres
subdivision on S 1/2 S 1/2 NW 1/4 of section 18 T 3 N R 2 E Idaho

Ques. 5. Describe your works of diversion, and state amount of water they are capable of conveying from point of diversion to place of use, and give name of canal or ditch or other works by which water is conducted to such place of use. If a well, state depth of well, depth and size of casing and depth to water. If pump is used, state discharge of pump and tell how it was measured or determined.

Ans. Well, pump and sprinkler system.
Well 138 feet deep, 6" casing 122 feet. 50 feet to
water. pump has 1 1/2" discharge

Ques. 6. State for what purpose water is used and describe place of use. (If for irrigation, name each subdivision in which used, and number of acres in each subdivision that have actually been irrigated with said water.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. Water is used to irrigate lawn, garden, and
pasture, also for domestic use in house and
use in gunsmith shop. Land was natural
meadow and improvements consist of house, gun
shop, lawn + garden.

Ques. 7. If for other than irrigation purposes; state how applied, amount of horse power generated, etc.

Ans. _____

Ques. 8. What is the minimum amount of water required for the purpose specified above?

Ans. one miners inch

Ques. 9. If you are not the person or representative of the corporation to whom above mentioned permit was originally issued, please state how ownership was acquired by present holder.

Ans. _____

Ques. 10. State when, how, in what amount and to what extent the water diverted under above mentioned permit has been used.

Ans. Water has been used since February 1 1950 for domestic use, shop use & irrigation of lawn garden & pasture when necessary

Ques. 11. State when, how, in what amount and to what extent waters other than those diverted under the above mentioned permit have been diverted and applied to beneficial use upon the lands herein described. Give full particulars regarding such other appropriations and rights claimed thereunder.

Ans. Water from new york canal is used on pasture only once each seven days for a period of five hours, one miners inch being used

(Sign) Wayne F. Vickery

I hereby certify that the foregoing testimony was read to the above subscribed before its signing, that I believe him to be the person he represents himself to be, and that said testimony was subscribed and sworn to before me, at my office in Boise, County of Ada, State of Idaho, on this 11 day of September, A. Re: Permit No. 21533

Mr. Wayne F. Vickery
Route 4
Boise, Idaho

Dear Mr. Vickery:

We enclose Permit No. 21533, together with Departmental Receipt No. 22398 for the \$5.00 filing fee.

Since your application states that the works are completed, we have allowed three months, or until September 14, 1950, within which to make the two statutory proofs necessary to complete the water right. These proofs, however, may be made at any time prior to that date.

The first proof or proof of completion of works is made by executing Form 6 enclosed before a Notary Public, and returning to this Department with a statutory fee of \$5.00, upon receipt and approval of which, a Certificate of Completion of Works will be issued.

The final or beneficial use proof requires publication once a week for four consecutive weeks in a county newspaper, prior to the date set for making proof. Notice should be made in duplicate on Form 10 enclosed, setting the time and place and naming the Notary Public before whom proof is to be made. Both copies of the notice to be returned to this Department together with Form 11 which is your authorization for us to have the notice published in the designated newspaper at your expense.

We shall then send a copy of the notice to the newspaper with instructions in regard to publishing, and on the date set, you should appear before the Notary Public together with two disinterested witnesses to execute depositions of proof on forms furnished by this Department.

Very truly yours,

MARK R. KULP
State Reclamation Engineer
