Dear Mr. VanVliet:

We are into the final approval stages on the transfer you filed and are still in need of additional proof of ownership of the land involved.

The agreement that you sent to us between Fredrick Peterson and yourself only covers 5.03 acres. We still need proof of ownership on the balance of the 79 acres.

Perhaps a copy of your title insurance policy would show the complete acreage. Please send this needed proof at your earliest convenience.

Dear Mr. Potter:

We have received from Mr. Robert Dunlap the affidavit of publication in the Caldwell News-Tribune, and also his personal affidavit in regard to the taking of beneficial proof under the above numbered permit.

This completes the proof, but before final action is taken the law requires that a field examination be made by an engineer from this department.

We cannot say just when this examination will be made, but our field engineer will try and contact you at the time he makes the examination so that you may arrange to show him over the grounds.

Re: Permit No. 21427

Messrs. Dunlap & Dunlap
No. 914 Main Street
Caldwell, Idaho

Attention- Mr. Robert B. Dunlap

Dear Mr. Dunlap:

We acknowledge receipt of your letter of August 5th, enclosing the depositions of Mr. Harold L. Potter and two witnesses, in proof of beneficial use and completion of works under Permit No. 21427.

The priority date is March 28, 1950, and the fact that the proof was not actually made until six days later than the published date will not change this.

But it will be necessary for you to submit an affidavit setting up the following: That your office was open at the time set for proof, namely 10:00 A.M. July 30, 1952- that no protests were filed- and that the taking of proof was continued to August 5th. This is to comply with the statutory provision that notice be given of the time and place for making proof.

No doubt Mr. Potter has received the affidavit of publication from the Caldwell News-Tribune, which they were instructed to send him- and this should be sent to this department, as it is a necessary part of the proof.

Very truly yours,

MARK R. KULP
State Reclamation Engineer

Re: Permit #21427

Dear Sir:

We enclose the following:

1. Deposition of Holder
2. Deposition of Witness, L. H. Brumfield
3. Deposition of Witness, Vernal Gardner

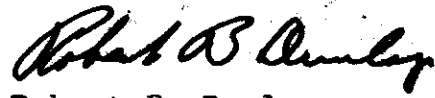

You will note that in answer to question 3 of the deposition of the holder, we have left the date of priority blank. I do not have the original application for permit, but only have a copy prepared by your office, and the date of filing of the application is not included thereon. Will you please complete the deposition of holder, by inserting the appropriate date of priority in the blank in answer to question 3 and advise this office of the date inserted.

I note from the affidavit of publication that the proof was to be made on July 30th, 1952. We are, of course, six days late and I assume that the six days will be added on to the priority date.

Thanking you, we are,

Very truly yours,

Dear Sir:

Under the terms of your permit No. ~~21427~~ you are required to complete your diversion works and make proof of beneficial use on or before March 28, 1952.

We enclose herewith a blank affidavit to be filled out, sworn to by you before a Notary Public or Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the completion of the Works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion of Works will be issued to you.

We also enclose blank notice for proof of application of water to Beneficial Use under this permit, which should be filled out and returned to this office at least forty (40) days before the date upon which you wish to make proof. The proof must be submitted before a Notary Public or other officer authorized by law to administer oaths. The date for proof as set out in your permit, is ~~March 28, 1952~~, and if proof is submitted subsequent to said date, your priority will be brought down a length of time equal to the time elapsing between the date proof should have been made and the date proof is actually made.
