NOTICE TO ACCOMPANY THIS LETTER MUST BE MADE IN DUPLICATE

(Date) Sept. 19, 1949

(P. O.) Nampa, Idaho

TO THE STATE RECLAMATION ENGINEER:

Boise, Idaho.

Dear Sir:

You are hereby authorized to have the attached notice published at my expense in the
Idaho Free Press of Nampa published in
the county in which the works are situated.

(In case of canals or other works designed to divert and carry more than 50 cubic feet of water per second, the following certificate must be signed by a well-known and competent engineer.)

Re: Permits Nos. 21219, 21220, 21221 and 21222.

Mr. James Clark Murphy
City Engineer
Nampa, Idaho

Dear Mr. Murphy:

We enclose Permits Nos. 21219, 21220, 21221, and 21222, together with Departmental Receipt No. 21787 for the \$32.25, which with the \$2.25 paid by you personally and for which you hold Departmental Receipt No. 21786, completes the filing fees on these four Permits and on Application No. 28897 which is now being advertised.

Your attention is directed to the time in which the statutory proofs are due on these four Permits. On Permits Nos. 21219 and 21221 in which you state that the works are completed, we have allowed three months or until December 13, 1949 within which we make these proofs.

Permit No. 21220 does not state the time required, so we have allowed one year, but we rather assume that these works are also completed and if so, the proofs can be made at any time.

On Permit No. 21222, you will note that we have allowed nine months as requested or until June 13, 1950, for making these proofs.

Proof of Completion of works on each of these four permits can be made by executing Form 6 before a Notary Public and returning to this Department with a statutory fee of \$5.00 each.

For making Proof of Beneficial Use, the Statutes require publication once a week for four consecutive weeks in a county newspaper. This notice should be made in duplicate on Form 10 enclosed, setting the time and place and naming the Notary Public before whom the Proofs are to be made. Both copies of the notice to be returned to this Department together with Form 11 which is your authorization for us to have the notice published at Permit Holders expense in the designated newspaper.

Since Permits Nos. 21219 and 21221 are both for municipal use, they may be combined in one notice and thus save a little publication expense.

Very truly yours
