Dear Mr. Hower:

We are in receipt of your corrected deposition in proof of beneficial use on Permit No. 20767, accompanied by the affidavit of publication in the Idaho Free Press.

This completes your proofs but before final action is taken in the matter, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made, but our field engineer will try and contact you at the time he makes the examination so that arrangements may be made to show him over the grounds.

Dear Mr. Hower:

We acknowledge receipt of the depositions of yourself and two witnesses submitted in proof of beneficial use on Permit No. 20767.

We return your deposition for the following corrections.

1. Question 4 should give the location of the well or point of diversion to a legal subdivision, section, township, and range.

2. Question 5 should also describe a pump if you have one installed, as to the kind and power.

The affidavit of publication should accompany these proofs and if the Idaho Free Press has not sent it to you, we suggest that you take the matter up with them at once.
