Dear Mr. Grebe:

We acknowledge receipt of your letter of February 27, 1950, enclosing depositions of Floyd Robison and two witnesses, also Affidavit of Publication in the Kuna Herald, all in Proof of Beneficial Use under Permit No. 20704.

Before final action is taken in the matter, the law requires that a field examination be made by an Engineer from this Department.

When the inspection has been made and the report filed, we shall write you in regard to the fee in connection with the issuance of a License.
