Wilder, Idaho

Dear Mr. Robbins:

The report of our Field Engineer shows that your well in the SW $\frac{1}{4}$ SE $\frac{1}{4}$ Section 7, Township 4 North, Range 5 West, B.M. has actually been delivering 30 inches of water.

Therefore, upon receipt of the statutory fee of \$2.00, a License will be issued for 30 inches for use on the SW $\frac{1}{4}$ SE $\frac{1}{4}$ of said Section 7.

Mr. David Z. Robbins

Wilder, Idaho

Dear Mr. Robbins:

We have placed on file, the depositions of yourself and two witnesses, also Affidavit of Publication in the Caldwell News-Tribune, all submitted in Proof of Beneficial Use under Permit No. 20477.

Before final action is taken in the matter, the law requires that a field examination be made by an Engineer from this Department.

We are unable to say just when this examination will be made as this Department has but one Field Engineer who makes examinations all over the State.

However, the Field Engineer for this Department will try and contact you at the time he makes the examination in order that you may arrange to show him over the grounds.

Very truly yours,
