Dear Sir:

We enclose herewith blank notice for proof of application of water to beneficial use under your Permit No. 20105. This should be filled out in duplicate and returned to this office at least 40 days before the date upon which you wish to make proof, in order to allow time for the four weeks' publication required by law.

The proof must be submitted before a Notary Public or other officer authorized by law to administer oaths.

The date for proof, as set out in your permit, is not later than September 28, 1949, and if proof is submitted subsequent to said date, your priority will be brought down a length of time equal to the time elapsing between the date the proof is due and the date proof is actually made.

Very truly yours,

MARK R. KULP

Re: Permit No. 20105

Mr. E. E. Palmatier
Route #5
Boise, Idaho

Dear Mr. Palmatier:

We enclose Permit No. 20105, and direct your attention to the conditions and limitations of same as given on the fourth page under approval of the State Reclamation Engineer.

We understand that you will not find it necessary to construct a trough or a ditch but will water your stock directly from the pond. Therefore, the Proof of Completion of Works required by statute and which should be made on or before September 28, 1947, may be made on form 6 enclosed; but instead of filling out the answer in the 6th paragraph, you may state under paragraph nine the fact that no special works are required at this time in order to put the water to the desired use.

Departmental receipt No. 20022 for the \$5.00 filing fee is also enclosed,

Very truly yours,

MARK R. KULP
