RE: Water Rights 63-10709, 63-21311

Dear Mr. St. Clair:

During your visit to the Department of Water Resources state office on June 15, 2001, you requested that a record of your water rights in Canyon County be reported to the Dairy Bureau.

I am sending information on the water rights that you and I found during our search. This includes a profile report for water right 63-10709 and a copy of the partial decree issued by the Court in the Snake River Basin Adjudication for water right 63-21311. The attached reports include the location of the points of diversion and places of use, diversion rates, season and nature of use.

The Department has not verified that these rights are sufficient for the dairy use.

If you have any questions in this matter, please call me at 208-327-7898.

Sincerely,

Cynthia Bridge
