RE: Change in Ownership of Water Right 63-17659

Dear Mr. & Mrs. Williamson

The Department of Water Resources acknowledges receipt of Notice of Change in Address form in which you indicate that a change of ownership is desired. I have partially filled out our current Notice of Change in Water Right Ownership form and am enclosing it for you to complete. Please return this completed form and the \$25.00 filing fee to this office in the enclosed envelope. Also enclosed is the change of address form that you sent to our Western Region office.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

_____ Filing Fee of \$25 per water right

_____ Signature(s)

Depending on the name connector you select on the enclosed change of ownership form, we require either one or both of your signatures. Please read item 4 on the instruction page for clarification on this point.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$25.00.

MICROFILMED

AUG 9 8 2001

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,

RE: ADJUDICATION CLAIM FOR A63-17659

Dear Diana,

In our telephone conversation on 9/9/1999 you requested that the address for this water right be changed. I have included a change of address form with this letter. You can have this information sent in care of your office if you choose. The water right will remain in the name of Beverly Kramer until you or her daughter can show with legal documentation that the property has been transfer into your or her ownership. As I told you on the telephone we will need Beverly Kramer's signature on this form or that of the person that holds her power of attorney. If there is an attorney in fact, we will need a copy of the documentation stating that person is the attorney in fact for Beverly Kramer.

I have also included a copy of the Idaho Dept. of Water Resources' recommendation to Snake River Basin Adjudication court for this water right. Carefully review this document and if there is an error please contact our office as soon as possible to correct the error.

If you have any questions please contact us at the above address or telephone number.

Respectfully,

Daniel A. Nelson
Sr. Water Right Agent
