Clifford H. Darrington of Rt. 1 Box 116 Drach, Idaho 83333
(name) (address)

State of Idaho, being first duly sworn, upon his oath deposes and says:

That he is the holder, or the duly authorized agent of the holder *, of Permit to
Appropriate the Public Waters of the State of Idaho No. 45-7119.

That under the terms and conditions of said permit, work thereunder was required
to be completed on or before Feb. 1, 1978.

That he has heretofore performed the following work described under said permit:

Removed the brush from the portion of land that was
not cleared. Hauled off much loose rock. Levelled in
a gully

Costing \$ 500.00

That he is unable to complete the remainder of the work within the required time for
the following reasons, to-wit: (1) I acquired the land to be served by this permit during 1974.
In Feb 1975 I had a long period of hospitalization for complete hip replacement and
radical cancer surgery followed by a long period of treatment at the cancer center
with slow recovery.
(2) Inadequate farm income, the last couple of years due to low farm prices
and the drought, making it more difficult to arrange adequate
financing for this project.

Wherefore, he asks that the Department of Water Resources extend the time for the
completion of obligations under said permit to Feb 1, 1983.

Dear Mr. Lewis:

One of the conditions of approval of your water Permit No. 45-7119 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before February 1, 1978. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
