License of Water Right No. 45-7093 Priority March 28, 1972 Amount 0.02 cfs

THIS IS TO CERTIFY, that Mez &/or Kay McMurray -dba- McMurray Brothers
of Burley, Idaho, has complied with the terms and conditions of Permit
No. 45-7093 issued pursuant to Application for Permit dated March 28, 1972,
and has submitted proof to the Department of Water Resources on May 30, 1975,
that he has applied water to a beneficial use; an examination by the Department indicates that the works have a
capacity for the diversion of 0.02 cfs of water from a ground water source,
tributary to _____, and that the permit holder has applied to a beneficial use and
established a right to use water as follows:

Beneficial Use	Period of Use	Rate of Diversion	Annual Volume
<u>Domestic</u>	from <u>Jan. 1</u> to <u>Dec. 31</u>	at <u>0.02</u> cfs and	<u>1.2</u> acre feet
_____	from _____ to _____	at _____ cfs and	_____
_____	from _____ to _____	at _____ cfs and	_____

(both dates inclusive)

Subject, however, to the condition that no more than 0.02 cfs of water be diverted at any one time, and
that the amount of water so diverted and to which such right is entitled and confirmed is for the purpose
aforementioned and is limited to the amount which can actually be beneficially used and shall not exceed
1.2 acre feet per year, said waters to be diverted within the NE $\frac{1}{4}$ NE $\frac{1}{4}$ of Sec. 11,

The approval of this permit authorizes the construction of a well as described on this application subject to the conditions on this permit.

GENERAL CONDITIONS:

1. The well must be constructed in compliance with the applicable statutes, specific conditions of approval shown on the water right permit, injection well permit, transfer or amendment and the rules and regulations of the Department for water appropriation, injection wells and well construction standards.
2. This drilling permit is valid for two (2) months from its date of issuance for the start of construction and is valid for one (1) year from the date of issuance for completion of the well unless an extension has been granted.
3. This permit does not constitute the approval of the District Health Department or the Idaho Department of Health and Welfare which may be required before construction of this well.
4. The well shall be constructed by a driller currently licensed in the State of Idaho who must maintain a copy of the drilling permit at the drilling site.
5. Issuance of this drilling permit does not authorize trespass on the land of another party.
6. This permit does not constitute other local, county, state or federal approvals which may be required for construction of a well.
7. This drilling permit does not represent a right to divert and use the water of the State of Idaho.

Gentlemen:

We acknowledge receipt of the affidavit submitted as proof of beneficial use for the above referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system.

If you have any questions regarding the field examination, please contact our District Office in Twin Falls.

Rex Weech made Baler test which showed 5 second recovery. This is a mechanical time device used by experienced drillers such as Weech. It shows a good estimate of volume of water that can be pumped. A five (5) second recovery as shown on attached log indicates a substantial stream of water is available. This is considerably more than needed for 2 family dwellings. Mr. Weech has had about 20 years experience as a driller.

One of the conditions of approval of your water Permit No. 45-7093 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before June 1, 1975. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.

Dear Bob:

Enclosed you will find proof of application of water to beneficial use. This proof is for Mr. Mez and/or Kay McMurray d.b.a. McMurray Brothers for permit No. 45-7093. I believe you will find everything in order and sufficient information enclosed for your review.

As noted on the permit under section 10, the application has been filed to cover the water usage for a second family utilizing domestic water at the described point of diversion. During the initial filing on the well there had intended to be water diverted for two family residences. As mentioned, the licensing had occurred prior to the installation of the second residence. This application was filed to establish water right for the second residence.

If you have any questions regarding this application, please feel free to contact me at any time.

South Idaho Press
Box 190
Burley, Idaho 83318

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted, assuming the notice is correct. If we have any corrections, we will notify you before the first publication. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. In order to receive payment, the following certification must appear on the bill:

"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid.

(signature of claimant)

Very truly yours,

Fred Eisenbarth

Dear Jack:

We are returning the application for permit which you submitted for Mez and Kay McMurray and your personal check #92-122, for \$10.00, for a proper signature.

Due to the fact that line #1 is listed as Mez and Kay McMurray, both signatures are required at the bottom of page three. If line #1 stated "and/or", then we could accept either signature.

If you should have any questions in reference to this matter, please do not hesitate to contact this Department.

Very truly yours,

Fred Eisenbarth
Appropriation Examiner
