

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

claims a right to the diversion and beneficial use of the surface or ground water. The extent and nature of said claim is as follows:

A claim is not acceptable on a ground water source with a priority later than March 25, 1963 or on a surface water source with a priority later than May 20, 1971. An exception is that a claim may be filed on single family domestic use from a ground water source.

RE: Claim No. 45-4160

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filings and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

ALLEN D. MERRITT
Senior Water Resource Analyst

Gentlemen:

Enclosed you will find a legal notice which we wish to have published on the dates indicated (once a week for two consecutive weekly issues) in your newspaper. We have allowed ample time for you to submit a galley proof to this office for review before the first publication date. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. Your cooperation is appreciated.

Please send the affidavit of publication and publication billing to this office before MARCH 7, 1983.

Yours truly,

Mary A. Hill

INTER-DEPARTMENT MEMO — 1

DATE 1-12-83

FROM Jim Stanton

TO File

SUBJECT Claim To A Water Right, Gerald Larson

By the claimant's own admission, this is a false claim with regard to the acreage watered. Only 128 acres have been watered since 1962. Land in the SE $\frac{1}{4}$ SE $\frac{1}{4}$ (29 ac.), NW $\frac{1}{4}$ SE $\frac{1}{4}$ (20 ac.), and SW $\frac{1}{4}$ NE $\frac{1}{4}$ (10 ac.) was not watered with the well until the 1977 drought. This land is higher than the well, and is served by 3rd lift ~~and~~ canal water. I understood the claimant to say that the land was only watered in 1977 due to a water shortage in the canal system (the high ground, that is). Mr. Larson insisted that all his land be shown on the claim, however, so I prepared it that way.
