Dear Mr. Stanton -

We were in your office last Friday, Jan. 2nd, to file a Water Rights Claim for our well. After returning home we located the Well Log given us by the driller, Roy A. Weech. Inclosed is a copy.

The date here, March 20, 1962, would be the date the well was put in. I think the date we gave you from the depreciation schedule was a little different. Also, the pump we have on the well is a 1 hp. as we said we thought it was.

If you need any other information, let us know. Phone 678-8892 or 678-7595
Thank you,
