Office of City Attorney
City of Burley
Burley, ID 83318

Dear Mr. Parsons:

Re: Water Right Nos. 01-7074, 36-4080, 45-4085 to 45-4099, 45-7092
45-7114, 45-7269, and 45-7436

The Department acknowledges receipt of your letter requesting the status of all the claims, permits and licenses for the City of Burley. Since it is easier and less costly to provide you with copies of everything as opposed to producing a computer report, I've enclosed copies. Please remit \$5.00 to cover copying charges.

In regards to the status of the water rights, no further action is required on the licensed rights or the claims. The statements of beneficial use have been submitted for all of the permits. The field exam has been conducted for Permit No. 45-7436 and is pending on Permit No. 01-7074. The Department will notify you of the extent of beneficial use found just prior to licensing these rights.

If I can be of further assistance, please feel free to contact me.

Sincerely,

RITA I. FLECK

RE: 45-7269 City of Burley

Gentlemen:

The City of Burley apparently had the above permit and for some reason the City's records do not appear that the permit was proved up on.

Could you tell me the status of the permit and send us the necessary papers to prove up on the permit.

We would also appreciate a report as to what your files also indicate as to any other permits or licenses that the City of Burley has or should have.

Very truly yours,

William A. Parsons
