Dear Mr. Giles:

Our office acknowledges receipt of Assignment of the above referenced water rights. However, in reviewing the files I find that the water rights are Licenses.

In Idaho, a licensed water right is considered real property and is acquired when the property to which it is appurtenant to is purchased. Proof of owning the land is proof of owning the water right license.

Therefore, I have put the Assignment into the files for future reference only and no other action will be taken. I have also enclosed copies of the Licenses for your records.

If you have any questions please feel free to contact our office.

Sincerely,

ROBYN CARLSON

Dear Mr. McDowell:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-26850, in the name of W. B. Whiteley. Final Proof is to be made before you, as Notary on the 8th day of June, 1962, at 10:00 o'clock A.M., at 329 Idaho Bldg., Boise, Idaho.

As of this date we have mailed the Notice to the Herald, Burley, Idaho with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof and then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by the permit holder and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the time, on the date and before you, as Notary, as stated in the publication notice. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, that your Notary's seal has been placed on each and that all depositions, (Holder and two witnesses) are being returned. Also be sure to enclose the Affidavit of Publication.

Very truly yours,

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with Form 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named and before the notary public, as advertised in the publication notice.
