Dear Mrs. Blei:

We acknowledge receipt of your application for Permit to appropriate 5 second feet of water from a well accompanied by your check for the \$6.00 filing fee.

However, you failed to enclose duplicate sketch maps showing the location of the well and cross-hatching or coloring the land to be irrigated.

Also you failed to answer question 13 as to existing water rights, and we return your application for the necessary corrections.

We also note that this is to be used in connection with a desert land entry. The Idaho District Land Office will require two copies of this Permit when approved, one of which has been certified, to be used in connection with your Desert Land Entry. It has been our custom to make these two copies, at a cost of \$2.00 and send the copies to the Land Office. If you wish us to do this, please send us your check for the additional \$2.00.

Very truly yours,
