RE: Permit No. G-24948

Burley Herald Bulletin
Burley
Idaho

Gentleman:

We have checked the notice on the above numbered Permit in the name of Golden Valley Farm, Inc. appearing in your issue of November 22, 1955, and find several typographical errors as follows:

(1) The word subterranean in the beginning of the ninth line is misspelled, but this seems to be the fault of the copy and not your own, subterranean.

(2) The word comprising in the next to the last line of paragraph 4 is misspelled.

(3) The last paragraph should be numbered 5. The figure 5 is omitted.

Please make these corrections in your subsequent issues.
