Dear Mr. Carrier:

We acknowledge receipt, in this morning's mail, of your check in the amount of \$13.00 submitted in payment of the fees for the Certificate of Completion of Works and the License on the above mentioned Permit.

In making our final check of the fees in connection with Permit No. G-22651, we find that the \$8.00 License fee as given you in our letter of August 2, 1956, was in error. That fee should have been \$4.00 being at the rate of \$2.00 for each subdivision (LINE 4 of Sec. 27.)

Therefore, we are returning your check in the amount of \$13.00 and ask you to please substitute one in the correct amount of \$9.00.

Dear Mr. Carrier:

We do not seem to have received a reply to office letter addressed you on March 21, in which we acknowledged receipt of notice for proof of completion of works and application of water to beneficial use on Permit No. G-22651.

In our letter we advised you that the name of a new Notary Public would have to be inserted in the notice as it is not permissible for you to sign your own deposition. Also, we stated that the date set for proof would have to be set far enough ahead to allow for four weeks publication prior to the taking of the proofs.

It is important that the matter be given your early attention as these proofs are already approximately one month overdue.
