Re: Permit No. G-22610

Mr. Harold Savage
Murtaugh,
Idaho

Dear Mr. Savage:

Enclosed is the Certificate of Completion of Works and the License and Certificate of Water Right issued under Permit No. G-22610 confirming the right with priority of February 20, 1952, to your use of 1.32 second feet of subterranean water, with the point of diversion in the NW¹SE¹ of Section 6, for irrigation of 240 acres in the NE¹, SE¹NW¹, NE¹SW¹, NW¹SE¹ of Section 6, Township 12 South, Range 20 East, B.M.

In our letter of September 26, 1957, we stated the fees for the Certificate of Completion of Works and the License and Certificate of Water Right under Permit No. G-22610 amounted to a total of \$19.00—the fee for the license being fourteen dollars; based at the rate of two dollars for each forty-acre subdivision inspected, of which, the engineer's report showed there were seven. In checking the status of all your permits, we find the inspection fee for the NE¹ of Section 6, Township 12 South, Range 20 East, B.M. was covered in the fee paid for license under Permit No. 19825, thus leaving three subdivisions under Permit G-22610 for which the fee is chargeable. Yesterday, when Mr. John Savage was in the office, he handed us your personal check for \$19.00 as payment of the fees for the above mentioned certificates and receipt #G-3105 for \$19.00 was issued. Then when it was found that the fee had been paid on the NE¹ of Section 6, Township 12 South, Range 20 East, B.M., your check was handed back to him and he replaced it with his personal check for \$11.00.

Enclosed also is departmental receipt #G-3105 for \$11.00, issued as receipt of the five dollar fee for the Certificate of Completion of Works and six dollars for the license fee.

Very truly yours,

In checking the status of all your permits, we find the inspection fee for the NE¹/₄ of Section 6, Township 12 South, Range 20 East, B.M. was covered in the fee paid for license under Permit No. 19825, thus leaving three subdivisions under Permit G-22610 for which the fee is chargeable. Yesterday, when Mr. John Savage was in the office, he handed us your personal check for \$19.00 as payment of the fees for the above mentioned certificates and receipt #G-3105 for \$19.00 was issued. Then when it was found that the fee had been paid on the NE¹/₄ of Section 6, Township 12 South, Range 20 East, B.M., your check was handed back to him and he replaced it with his personal check for \$11.00.

Enclosed also is departmental receipt #G-3105 for \$11.00, issued as receipt of the five dollar fee for the Certificate of Completion of Works and six dollars for the license fee.
