Gentlemen:

We are returning herewith your Proof of Application of Water to Beneficial Use, in connection with the above stated permit.

Under Question (4) - (State source of supply and give exact location of point of diversion) - you state that the well is located in the SW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 10, Township 11 South, Range 20 East. We have an amendment on the records of this permit signed by Glen Briggs, under date of July 13, 1951, changing the point of diversion from the SW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 10, Township 11 South, Range 20 East, to the SE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 10, Township 11 South, Range 20 East. If the point of diversion is stated incorrectly on the proof, we wish that you would change same to conform with the amendment. *Correct H.M.*

Under your answer to Question (6) you state only the S $\frac{1}{2}$ of Section 14, Township 11 South, Range 20 East is to be irrigated. Under date of January 18, 1958, Glen Briggs filed an amendment in this department changing the lands to be irrigated to read as follows: NE $\frac{1}{4}$, S $\frac{1}{2}$ of Section 13, SE $\frac{1}{4}$ NE $\frac{1}{4}$, S $\frac{1}{2}$ of Section 14; N $\frac{1}{2}$ and the E $\frac{1}{2}$ SW $\frac{1}{4}$ and the SE $\frac{1}{4}$ of Section 23 and all of Section 24, Township 11 South, Range 20 East. *Correct H.M.*

We are wondering if you did not intend your proof to include the land under the above stated amendment. If so, please correct the proof and return to this department.

Mr. Roy Thompson,

I believe that the misunderstanding as to question #4 is due to the fact that the well is located only a very few feet over the line in SW $\frac{1}{4}$, SE $\frac{1}{4}$ and a short pipe line runs under the ground and the water comes out of the ground in SE $\frac{1}{4}$, SW $\frac{1}{4}$. If there is more information needed please send request for it to me personally. I think I can get the dope to you a little quicker.

Gentlemen:

We are returning herewith your Proof of Application of Water to Beneficial Use, in connection with the above stated permit.

Under Question (4) - (State source of supply and give exact location of point of diversion) - you state that the well is located in the SW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 10, Township 11 South, Range 20 East. We have an amendment on the records of this permit signed by Glen Briggs, under date of July 13, 1951, changing the point of diversion from the SW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 10, Township 11 South, Range 20 East, to the SE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of Section 10, Township 11 South, Range 20 East. Under your answer to Question (6) you state only the S $\frac{1}{2}$ of Section 14, Township 11 South, Range 20 East is to be irrigated. PROOF OF COMPLETION OF WORKS

Mr. Glen Briggs

Murtaugh, Idaho

Boise, Idaho **December 1, 1950**

Dear Sir:-

Under the terms of your permit No. **21357**-----you are required to complete your diversion works on or before **February 2, 1951**... I enclose herewith blank affidavit to be filled out, sworn to by you before a Notary Public or a Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the completion of the works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion will be issued to you.

The certificate to be issued under this proof will not give a perpetual right to the use of water for which application was made, as it only confirms the completion of works of a capacity to divert and convey to the place of intended use a certain amount of water. The law requires that another proof be submitted when the water has been fully applied to a beneficial use, at which time license is issued for the amount of water actually in use. Information in regard to this last proof will be furnished on request.

Yours truly,
