Dear Ms. Ward:

I have researched our records for water rights appurtenant to the lands you identified in our telephone conversation as follows:

T. 11S., R. 20E.

Sec. 31: $E\frac{1}{2}NW\frac{1}{4}$, $NE\frac{1}{4}SW\frac{1}{4}$, $NW\frac{1}{4}SE\frac{1}{4}SW\frac{1}{4}$ (10 acres)

T. 11S., R. 19E.

Sec. 34: $SE\frac{1}{4}$

As requested, I have enclosed copies of the water rights appurtenant to the lands, or portions of the lands described above.

License No. 45-2318 - 15 acres in the $SE\frac{1}{4}SW\frac{1}{4}$, Sec. 31, T. 11S., R. 20E.

It appears from reviewing map of the field examination (copy enclosed) that License No. 45-2318 would apply to the 10 acres, or a portion thereof, identified in the $NW\frac{1}{4}SE\frac{1}{4}SW\frac{1}{4}$.

Decree - Ethel Stoner, et al., vs. Alice I. Willhite, et al.

Decreed right Nos. 45-0487 and 45-0488 - identifies portions of lands within some of the same tracts as described in licensed right No. 45-2318.

License No. 45-2288 - $E\frac{1}{2}NW\frac{1}{4}$, Sec. 31, T. 11S., R. 20E.

License No. 45-2105 - superceded by Decree No. 45-0509.

March 31, 1980

Decree - Jerry Bonard, et al., vs. D. B. Moorman, et al.

Dear Mr. Benoit:

We acknowledge receipt of your letter of July 19, 1951, enclosing Proofs of Completion of Works on Permits Nos. 21349 and 21350, in the name of Charles H. and Henry G. Colner; also notices of Beneficial Use Proofs to be made on these two Permits.

Certificates of Completion of Works will be sent you in a few days. Meanwhile, we call your attention to the fact that while Notice of Beneficial Use Proof on Permit No. 21350 must be published in Cassia County, it is not necessary that the proof be made in Cassia County, but it can be made in your office in Twin Falls. This will avoid the necessity of having the Notary and the witnesses making a trip to Burley for the purpose of making this proof.

Before sending the Notice to the Burley Bulletin, we shall await your advice as to whether or not we should change this notice, setting place for making the proof in Twin Falls.

Dear Sir:

Your approval on this permit provides for the completion of work on or before February 2, 1951, and beneficial use of water on or before the same date. The work was completed, but because of trouble that the Coiners have had it will be necessary to do additional work and it will be impossible to make proof of beneficial use until next year.

Will you please send me the necessary blanks to make application for such amendment.
