 January 26 1907.) S T A T E O F I D A H O.
 Water License No. 2507.

WHEREAS, On the 2nd day of January, A. D. 1907, JOHN IVERSON, of Oakley, County of Cassia, State of Idaho duly made application (No. 3500) to me for a permit to use three tenths (.3) of one cubic foot per second of the waters of Birch Spring and five tenths (.5) of one cubic foot per second of the waters of Cedar Creek, County of Cassia, State of Idaho, for irrigation and domestic purposes, and,

WHEREAS, On the 12th day of January, A. D. 1907, Permit No. 2507 was issued to said applicant for the diversion of said water, and providing for the completion of the works of diversion therein described on or before the 12th day of January, A. D. 1909, and for the application to beneficial use of said water on or before the 12th day of January, A. D. 1910, and,

WHEREAS, On the 5th day of January, A. D. 1909, JOHN IVERSON, the holder of said permit duly made proof of the completion of adequate works for the diversion of eight-tenths (.8) of one cubic foot per second of said waters, as evidenced by my Certificate No. 2507 dated January 11, 1909, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use eight-tenths (.8) of one cubic foot per second of water, with date of priority of January 2, 1907, and,

WHEREAS, On the 5th day of February, A. D. 1910, JOHN IVERSON, the holder of said permit duly made proof of the application to beneficial use of .8 of one cubic foot per second of said water:

NOW, THEREFORE, By virtue of authority vested in me by the laws of the State of Idaho, I hereby grant and confirm to JOHN IVERSON, of Oakley, County of Cassia, State of Idaho, the holder and owner of said Permit No. 2507, a perpetual right, dating from January 26, 1907, to the use of three-tenths (.3) of one cubic foot per second of the waters of BIRCH SPRING and five-tenths (.5) of one cubic foot per second of the waters of CEDAR CREEK, in the County of Cassia, and State of Idaho, or so much thereof as may be necessary for the purposes hereinbelow mentioned, to be diverted as follows: From Cedar Creek in the Southwest quarter of Southwest quarter of Section 7, Township 13 South, Range 21 East of Boise Meridian and from Birch Spring in the Northeast quarter of the Southeast quarter of Section 13, Township 13 South, Range 20 East of Boise Meridian, and conducted to and upon 40 acres situated in the Southwest quarter of the Southeast quarter (SW4 SE4) Section 8, Township 13 South, Range 21 East of Boise Meridian, for the purpose of irrigation and domestic use, subject, however, to the laws of the State of Idaho applicable to a license for the use of the waters of the State, and subject, also, to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS, My hand and the seal of my office at Boise, Idaho, this 20th day of April, A. D. Nineteen hundred and ten.

D. G. Martin,

State Engineer.

45 2012

No. 3500
