Dear Mr. & Mrs. Bright:

Enclosed is an Order which extends the time within which to submit proof of beneficial use on the above referenced permit to August 1, 1977.

One of the conditions of approval of your water Permit No. 47-7325 was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before August 1, 1977.

Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time (excluding the extension of time the Department has made extending your proof of beneficial use of water to August 1, 1977 from May 1, 1977) you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the abovementioned date, otherwise the permit will lapse and be of no further force or effect.
