Rogerson, Idaho

Dear Mrs. Schnell:

In reviewing our files, we find that we were waiting for information concerning approval of your Desert Entry, Idaho-4. Our records also indicate that on September 14, 1962, a permit was approved for much the same ground as permit no. 47-2365 (G-30721).

Please be advised as to whether or not you still require your proposed project under 47-7071. If not, please advise the Department to withdraw your application.

Your-assistance in this matter is greatly appreciated.

Very truly yours,

Donald W. McEldowney
