I, Sherry Kessler being first duly sworn upon oath, depose and say that I am Print Clerk of the TIMES-NEWS, published daily, at Twin Falls, Idaho, and do solemnly swear that a copy of the notice of advertisement, as per clipping attached, was published in the regular and entire issue of said newspaper, and not in any supplement thereof, for two consecutive publications, commencing with the issue dated September 8, 1983, and ending with the issue dated September 15, 1983.

And I do further certify that said newspaper is a consolidation, effective February 16, 1942, of the Idaho Evening Times, published theretofore daily except Sunday, and the Twin Falls News, published theretofore daily except Monday, both of which newspapers prior to consolidation had been published under said names in said city and county continuously and uninterruptedly during a period of more than twelve consecutive months, and said TIMES-NEWS, since such consolidation, has been published as a daily newspaper except Saturday, until July 31, 1978, at which time said newspaper began daily publication under said name in said city and county continuously and uninterruptedly.

And I further certify that pursuant to Section 60-108 Idaho Code, Thursday of each week has been designated as the day on which legal notice by law or by order of any court of competent jurisdiction within the state of Idaho, to be published weekly, will be published; and that at the head of the editorial column of said combined newspapers, and in each issue thereof, Thursday is announced as the day on which said legal notices will be published.

RE: App. for Permit No. SEE ATTACHED SHEET  
Names:

Gentlemen:

The Twin Falls Canal Company after researching filed water right permit has concluded that water sought to be appropriated is waste water. However, we are advised that others may hold prior rights to this waste water and of course the holder has a right to cease wasting water.

The Canal Company will continue to make deliveries to their shareholders to the extent possible, but makes no effort to put additional water in the ditches so as to insure that waste water would be available for permits such as this one

The Twin Falls Canal Company has in the past used aquatic weed chemicals in the water system, and will continue to do so. It is understood that the water permittee shall not claim the Twin Falls Canal Company liable for any water quality standards during the use of these chemicals. It is further understood that the Twin Falls Canal Company does not, and will not, guarantee water quality to any waste waters being filed upon.

Respectfully submitted,

*C. W. Travis*
