CLAIM TO A WATER RIGHT

Under the provisions of Section 42-243, Idaho Code, any person using or claiming rights to the public waters of Idaho established by diversion and application to a beneficial use must file a claim with the Department of Water Resources on or before June 30, 1983. Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Notice is hereby given that Valerie Lyon Yturbe

A claim is not acceptable on a ground water source with a priority later than March 25, 1963 or on a surface water source with a priority later than May 20, 1971. An exception is that a claim may be filed on single family domestic use from a ground water source.

Unnamed Stream tributary to Clear Creek

(3) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:

Re: Tolbert  
Our File No. 1783-1

Dear Mr. Holmes:

Thank you for your letters of August 8, 1979 relating to the following matters: 47-4116 Staley, 47-4115 Bates, 47-4114 Carlson, 47-4113 Box. I have reviewed 42-225b, Idaho Code, and will make the appropriate "exceptions".

I concur with your conclusion expressed in your letter of August 8, 1979 that the Yturbe claim (47-4117) is not a problem for my client. He initially interpreted the claim to apply to the same stream as do the other claims and this was the reason for the "protest".

As to application 47-7518 (Hull) there was some indication that a hearing might be scheduled upon the application, but we have received no word since our letter of July 24, 1979. Has there been any further action as to this matter?

Sincerely yours,

Re: Claim to a Water Right No. 47-4117 - Valerie Lyon Yturbe

Dear Mr. Webb:

This office is in receipt of your letter of protest against claim #47-4117.

Our records indicate that your client's water license No. 29627/47-2351 is for the diversion of water from a waste stream tributary to Rock Creek in the NWSE, Sec 11, Twp. 10S, Rge. 11E, while the claimant is claiming a right to water diverted from an unnamed stream in the NENW, Sec. 27, Twp. 9S, Rge. 14E, northwest of Buhl.

Since it appears that the claimants diversion of water could have no possible effect on the water right evidenced by license 47-2351, I am returning your letter of protest rather than placing it on file with the claim as required by Sec. 42-244 of the Idaho Code.

Very truly yours,

Dear Mr. Burton:

Pursuant to your protest to claim of water right of the Application No. 47-4117 before the Department of Water Resources, in the name of Valerie Lyon Yturbe, I respectfully submit the following items that lead me to believe that your protest is unfounded.

Enclosed please find copy of Notice of Claim to Water Rights as it appeared in the Times News July 19, 1979. If you will notice the Diversion point is located in the NE $\frac{1}{4}$  NE $\frac{1}{4}$  of Section 27, T9S, R14E, B.M. Twin Falls County Idaho. This is approximately  $\frac{3}{4}$  miles North of and  $12\frac{1}{2}$  miles West of the point of diversion of the Water Filing that you name as Permit No. 29627, Instrument No. 503193 Miscellaneous Book 26 Page 381. Mrs. Yturbe's claim Source is Unnamed Stream, tributary to Clear Creek, your client's Source is Drainage and Waste water tributary to L.P. Coulee.

On the same enclosure please see Claim No. 47-4116 in the name of Gail &/or Jean Staley. This Claim is for water taken from a Diversion point located in the NW $\frac{1}{4}$  SE $\frac{1}{4}$  of Section 11, T10S, R16E B.M. Twin Falls County, Idaho. This claim is located in the same Section as lands owned by your client and possibly you may have mistaken the claims since they are next to each other in the paper.

In summary, since the geographic location of the Two properties does not place them in the same drainage, I feel that the protest of the Yturbe Claim No. 47-4117 is unfounded and a letter of rescission to the Department of Water Resources and to Mrs. Yturbe is in order.

If you have any further questions in this matter, please do not hesitate to contact me.

Sincerely,

*Donald E. Wolford*
