RE: Claim to a Water Right No. 47-4034

Mr. Walter M. Mueller
Southwest of City
Twin Falls, Idaho 83301

Dear Mr. Mueller:

We are enclosing a copy of an affidavit in opposition to your claim to a water right, submitted by Lyle H. Schnitker, personal representative of the O. A. Schnitker Estate. The following is a quote from the provisions under which this claim has been filed (Section 42-225b of the Idaho Code:

42-225b. Recording of claims by department -- Corrections ---

At any time after filing a claim under the provisions of this section, any person who disagrees that a right has been established as set forth in said claim may file an exception thereto in duplicate, in affidavit form, accompanied by such proof as said person deems appropriate. An exception filed shall be made a part of the file of the claim in the department of water administration and shall be considered the same as other evidence in said file. A copy of an exception filed shall be forwarded to the claimant by the department of water administration. Such claims may be corrected by the claimant only by filing of an amended claim in the same form as the original which shall be recorded and numbered by the department the same as the original and for which no additional filing fee shall be required.

Only the above action has been contemplated by the Idaho Legislature and we are not authorized to hold hearings or evaluate for confirmation or final censorship of the described rights.

If you have any questions regarding this matter, please contact us.

Very truly yours,

RE: Walter M. Mueller, Notice of Claim No. 474034

Gentlemen:

The undersigned is the Personal Representative of the Estate of O. A. Schnitker, deceased, which estate owns the adjoining farm property to the property of Walter M. Mueller.

Mr. Mueller has filed with your Department his claim for irrigation ground water with priority date July 1, 1950. The estate of O. A. Schnitker owns water License No. G-25288 with priority date November 22, 1954.

The purpose of this communication is to object to the claim of water right filed by Walter M. Mueller upon the ground that the priority date claimed is not prior in time to that held by the Schnitker estate and, in fact, is two years subsequent in time.

Dear Mr. Mueller:

The Department of Water Administration has completed the processing of your claim to a water right, and no further action is authorized under Sections 42-225a and 42-225b of the Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of your claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with this office.

We are enclosing, for your records, a copy of the claim. If you have any questions or if we can be of further assistance, please feel free to call upon us.

Very truly yours,

AGREEMENT.

THIS AGREEMENT, Made and entered into this 14 day of Sept 1959, by the parties. The parties are E. L. Rayburn hereinafter referred to as Rayburn and A. D. McFarlane and J. N. McFarlane, hereinafter referred to as McFarlanes.

This contract is made in consideration of the mutual covenants contained herein. The purpose of this contract is to effect the drilling of a well for water upon the farm of Rayburn

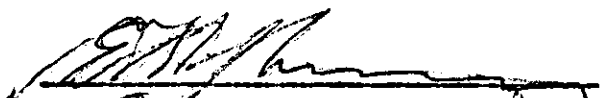

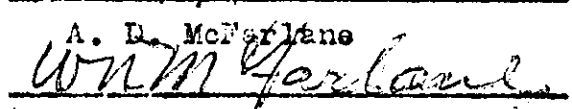

McFarlanes agree to drill a well upon the farm owned by Rayburn in Twin Falls County, Idaho, at such place as may be designated by him. It is agreed that the well shall be 12 1/2 in diameter and McFarlanes agree to drill the well to a depth of 500 linear feet unless Rayburn shall notify them of his satisfaction at a lesser depth. It is agreed that in addition to the drilling here set out McFarlanes shall, if casing shall be required, install casing in the well and shall weld the casings at No extra cost. McFarlanes agree to furnish all gas, oil, fuel, and other expenses associated with the drilling of the well and to hold Rayburn harmless by reason of any expenses or liability incurred in the drilling of the well. It is agreed by McFarlanes that the well shall be drilled in such a fashion as to satisfy and be acceptable to such persons as may install pumping equipment in the well.

In consideration of the drilling of the well as here set out Rayburn agrees to pay McFarlanes the sum of \$6.00 per linear foot actually drilled by McFarlanes. It is understood and agreed that should sufficient water be found at a depth less than 500 feet to satisfy Rayburn He to be sole Judge of the sufficiency of water Rayburn may elect to stop the drilling at that depth and shall be

responsible for payment of the amount stated for the linear feet actually completed at the time He elects to stop the drilling. If casing shall be necessary, Rayburn agrees to furnish and deliver the casing at his own expense to the drilling site, within seven days time upon notification by McFarlanes of the need of the casing.

In the event that payment in Not made according to the Terms of this Contract within Ten (10) days after the completion of the drilling, Rayburn agrees to pay McFarlanes an additional sum of \$10.00 for each day lapsing after the end of the 10 day period from the completion of the drilling. In the event of a breach of this contract by either party, the party responsible for the breach shall pay to the other party the reasonable expense of any litigation which may ensue.

This contract is binding upon the parties hereto, their assigns, successors, and administrators.

Times News
P.O. Box 548
Twin Falls, ID 83301

Gentlemen:

Enclosed you will find a legal notice which we wish to have published once a week for two consecutive weekly issues of your newspaper. We have inserted the publication dates allowing ample time for you to submit us a galley proof for review before publication.

After sending us a galley proof, proceed with the publication on the dates we have inserted, assuming the notice is correct. If we have any corrections, we will notify you before the first publication. If you cannot publish the notice on the proposed dates, please contact us immediately.

An affidavit of publication must be submitted to the Department along with the publication bill. In order to receive payment, the following certification must appear on the bill:

"I hereby certify that the foregoing account is just and correct, that the amount claimed is legally due, after allowing all just credits, and that no part of the same has been paid."

(signature of claimant)

Very truly yours,

Bob Haynes
District Engineer
