Dear Mr. Iverson:

This acknowledges receipt of the notice of intent to make proof of completion of works and application of water to beneficial use for permit No. 31155, 31156, 31157, & 31159.

We have mailed the notice to the World of Idaho to be published once a week for four consecutive weeks prior to May 20, 1968, which is the hearing date when the permit holder The United States of America Forest Service and two disinterested witnesses must appear before Theron A. Larson, notary public, to complete the enclosed depositions. The witnesses must be familiar with the works and permit.

After the hearing, the depositions and an affidavit of publication must be submitted to this office. The affidavit may be obtained from the newspaper when the advertising bill is paid by The United States Forest Service. Be sure all the forms have the notary's seal and are signed. Please feel free to contact us if we may be of any assistance.

Gentlemen:

Proof of completion of works and application of water to beneficial use for the above referenced permit is due not later than _____.

Under the terms of your permit, it is required that a notice be published once a week for four consecutive weeks in a local newspaper showing your intent to submit proof. The proof will consist of depositions which the permit holder and two disinterested witnesses must complete before the listed notary public, and must be accompanied by an affidavit of publication of the legal notice.

We have prepared the enclosed notices from the information on your permit. The complete name and address of a notary public of the State of Idaho must be entered together with a date for you to appear before the notary. Allow at least 40 days from the date the notice is mailed to this department for your appearance before the notary.

If you find any discrepancy in the notices or have made any changes, please advise this department and we will assist you in doing whatever may be necessary to assure correct publication.

If the enclosed notices ^{are} correct, complete the blank spaces and sign the form authorizing us to publish the notices at your expense and return all forms. At the time we send the notices to the newspaper, you will be supplied with further instructions.

If you do not desire to complete the proofs and obtain a license of water right, you are requested to complete the relinquishment portion of this form below and return it to the Department of Reclamation.
