Dear Mr. Hamilton:

reference is made to your letter of May 12th,
relative to the water right of R. A. Bean,
duplicate evidence of which must be filed in
the U. S. Land Office.

A certified copy of each of the instruments
referred to- that is the License and the Certifi-
cate of Transfer, will cost \$1.50- or \$6.00 for
duplicates of each.

However, as the Certificate of Transferred Water
Right, when issued, will show the fact that he
is the owner of said water right, acquired by
purchase of the Licensed Right- we are wondering
if it will be necessary to furnish a copy of the
License, or if only copies of the Transfer Certifi-
cate will answer their purpose. In that case, of
course, the fee would only be \$3.00.

We shall make the required copies, and send to you
as soon as we receive your advice on the matter.
