Dear Mr. Givens:

Your letter of December 8, 1969 indicated a willingness to relinquish Lots 3 and 4 from your entry Idaho 014883.

Because of the question of a sufficient supply of water to irrigate the entire 320 acres, we are unable to approve a patent to all the land.

If you will execute the attached relinquishment form, we will be able to process the lands remaining in your entry.

You must also correct your water permit G-31533 and file evidence showing that it is still in good standing. The permit lists points of diversion in the NW $\frac{1}{4}$ SW $\frac{1}{4}$ Sec. 18 and SW $\frac{1}{4}$ SW $\frac{1}{4}$ Sec. 17. According to your final proof testimony, the well is actually located in the NW $\frac{1}{4}$ SE $\frac{1}{4}$ Sec. 18. You should file either an amendment of water permit or apply for a new water permit with the State Department of Reclamation.

Proof of beneficial use and completion of works for the permit was due on November 18, 1968. Please submit evidence showing that the permit is still in good standing.

We would appreciate receiving the above information and evidence within the next 30 days.

Re: Permit No. G-31533

Granville Givens

Nampa, Idaho 83651

Dear Mr. Givens:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with those rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department, stating that you have been issued a permit and are now submitting proof of beneficial use. Previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply it upon request at any time.
