Re: Change of Address

Mr. Dreher,

I just wanted to drop you a note to let you know that I have moved back to Idaho. The forwarding of my mail from Federal Way, WA has been incredibly slow. I don't know who else to contact, so could you please see that my mailing address is corrected so that I receive all future correspondence from IDWR in a timely manner? And could you please have someone confirm that my request has been attended to?

I won't be following up on the water consumption at the old H&H Dairy this year. I understand the facility was not in operation during its transition between owners for a long enough period of time that I'm almost certain consumption was not over limits. You can rest assured, however, that I will be checking up on it next year, as I'm convinced that this water right cannot adequately support the number of cows that are now permitted there after the last expansion. We are still effected property owners adjacent to this section of land, so our interest in this facility & its operations remain in tact.

My new address is PO Box 829, Ketchum, ID 83340. My phone number is 208/727-9703, my email address is unchanged & is bertilia@juno.com. Thank you for attending to this small detail of correcting my address. Thank you for your prompt attention to this matter.

Sincerely,

Bert Redfern
