On October 11, 2002, a *Special Master's Report and Recommendation* was filed for each of the above-captioned water rights. No Challenges were filed to the *Special Master's Report and Recommendation* and the time for filing Challenges has now expired. The *Special Master's Reports and Recommendations* were issued pursuant to *Standard Forms 5* entered into by the parties, which added language to the *Partial Decrees* which references Basin 65 General Provision No. 3 (separate streams). The Court notes that as of the date of this *Order of Partial Decree*, Basin 65 General Provision No. 3 has not been decreed in the SRBA.
