

RECEIVED

JUN 24 2002

Department of Water Resources

JUN 21 AM 9:57

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE  
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA

) Subcases See Attached Exhibit A  
)

Case No. 39576

) FINAL ORDER DISALLOWING  
) WATER RIGHT CLAIMS

On September 18, 2001, the Director of the Idaho Department of Water Resources filed a *Director's Report for Irrigation and Other Claims, Reporting Area 15, Basin 65, Part III*, recommending that the water rights listed on the attached Exhibit A be disallowed. The time period for objecting to this recommendation has passed.

As this court has previously determined, all claims reported to the court by the Director of IDWR shall appear in a decree. This is required so that there is no confusion over action taken by the court on all claims reported to it.

THEREFORE IT IS ORDERED AND ADJUDGED that the water right claims listed on the attached Exhibit A are hereby disallowed with prejudice and shall not be confirmed in any partial decree or in any final decree entered in the SRBA, Case No. 39576, in whatever form that final decree may take or be styled.

RULE 54(b) CERTIFICATE

With respect to the issues determined by the above judgment or order it is hereby CERTIFIED, in accordance with Rule 54(b), I.R.C.P., that the court has determined that there is no just reason for delay of the entry of a final judgment and that the court has and does hereby direct that the above judgment or order shall be a final judgment upon which execution may issue and an appeal may be taken as provided by the Idaho Appellate Rules.

DATED June 20, 2002

  
ROGER BURDICK  
Presiding Judge  
Snake River Basin Adjudication

EXHIBIT A
