Dear Water Right Claimant(s):

Attached to this letter is a copy of an **Order Amending Irrigation Period of Use Element in Partial Decree, Nunc Pro Tunc** (hereinafter "**Order**") for water right number 57-2157. According to Idaho Department of Water Resources (IDWR) records, you are the current owner of this water right. If you are not the current owner, please contact IDWR immediately at:

Idaho Department of Water Resources
1301 North Orchard
Boise, ID 83706
800-451-4129

The purpose of the **Order** is to set forth beginning and ending dates for the irrigation period of use for this water right. As stated in the face of the **Order**, this action was necessary following the decision of the Idaho Supreme Court in *A&B Irrigation Dist. v. Idaho Conservation League*, 131 Idaho 411, 423, 958 P.2d 568, 580 (1998). This **Order** also incorporates into the **Partial Decree** an express statement that the **Partial Decree** is subject to such general provisions necessary for the definition or for the efficient administration of the water right. This express statement is necessary to comply with the requirements of Idaho Code section 42-1412(6). April 29, 1997, sets forth all of the elements of your water right. The Snake River Basin Adjudication (SRBA) Court suggests that you keep this document in a safe location together with a copy of the **Partial Decree** to show evidence of this water right. The original of this **Order** and the original of the **Partial Decree** for this water right are on file with SRBA Court. If you do not have a copy of the original **Partial Decree**, one can be obtained by contacting the SRBA Court at (208) 736-3011. Please note that the **Order** is entered **Nunc Pro Tunc**, meaning that the **Order** will be treated as if it were issued on the same date that the **Partial Decree** was originally issued.

Sincerely,

Diana Delaney
Case Administrator

IT IS FURTHER ORDERED that the *Partial Decree* for the above-captioned water right is hereby amended and decreed to contain the following:

This order is being entered *nunc pro tunc* as of the date the *Partial Decree* was issued and is not intended to modify subsequent administrative changes for the water right, if any, which occurred following entry of the *Partial Decree*.
