Department of Water Resources

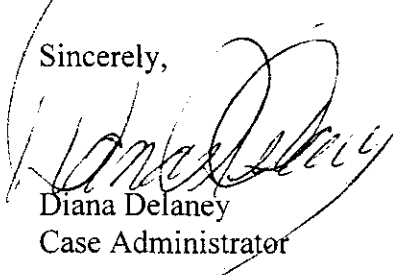

Dear Water Right Claimant(s):

This letter accompanies copies of an **Order Amending Irrigation Period of Use Element in Partial Decree, Nunc Pro Tunc** (hereinafter "**Order**") for water right numbers 57-2127, 57-2195, and 57-10898. According to Idaho Department of Water Resources (IDWR) records, you are the current owner of these water rights. If you are not the current owner, please contact IDWR immediately at:

Idaho Department of Water Resources
1301 North Orchard
Boise, ID 83706
800-451-4129

The purpose of the **Order** is to set forth beginning and ending dates for the irrigation period of use for each of these water rights. As stated in the face of each **Order**, this action was necessary following the decision of the Idaho Supreme Court in *A&B Irrigation Dist. v. Idaho Conservation League*, 131 Idaho 411, 423, 958 P.2d 568, 580 (1998). The **Order** also incorporates into the **Partial Decrees** an express statement that each **Partial Decree** is subject to such general provisions necessary for the definition or for the efficient administration of the water right. This express statement is necessary to comply with the requirements of Idaho Code section 42-1412(6). These **Orders**, in combination with the **Partial Decrees** that were issued for these water rights on December 15, 1997, set forth all of the elements of your water rights. The Snake River Basin Adjudication (SRBA) Court suggests that you keep these documents in a safe location together with a copy of each **Partial Decree** to show evidence of these water rights. The original of these **Orders** and the original of each **Partial Decree** for these water rights are on file with SRBA Court. If you do not have a copy of the original **Partial Decree**, one can be obtained by contacting the SRBA Court at (208) 736-3011. Please note that the **Orders** are entered **Nunc Pro Tunc**, meaning that the **Orders** will be treated as if they were issued on the same date that the **Partial Decrees** were originally issued.

Sincerely,

Diana Delaney

A *Partial Decree* was entered for the above-captioned irrigation water right on December 15, 1997. The period of use element was decreed as "irrigation season." In *A&B Irrigation Dist. v.
