A *Partial Decree* was entered for the above-captioned irrigation water right on March 3, 1998. The period of use element was decreed as "irrigation season." In *A&B Irrigation Dist. v. Idaho Conservation League*, 131 Idaho 411, 423, 958 P.2d 568, 580 (1998), the Idaho Supreme Court remanded with the directive to include specific dates for the period of use element. Following remand, on June 24, 1999, IDWR filed a *Supplemental Director's Report, Reporting Area 3, IDWR Basin 36, Regarding Revision of Period of Use (For Irrigation Water Uses) and Conjunctive Management General Provisions*, which included an irrigation period of use recommendation for this water right. No objections were filed to this *Supplemental Director's Report*.

THEREFORE, IT IS ORDERED that the period of use element for the irrigation portion of the above-captioned water right is hereby amended and decreed as:

PERIOD OF USE: 03-15 to 11-15

IT IS FURTHER ORDERED that the *Partial Decree* for the above-captioned water right is hereby amended and decreed to contain the following:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the court at a point in time no later than the entry of a final unified decree. I.C. section 42-1412(6).

This order is being entered *nunc pro tunc* as of the date the ***Partial Decree*** was issued and is not intended to modify subsequent administrative changes for the water right, if any, which occurred following entry of the ***Partial Decree***.

With respect to the issues determined by the above judgment or order, it is hereby CERTIFIED, in accordance with Rule 54(b), I.R.C.P., that the court has determined that there is no just reason for delay of the entry of a final judgment and that the court has and does hereby direct that the above judgment or order shall be a final judgment upon which execution may issue and an appeal may be taken as provided by the Idaho Appellate Rules.

The purpose of the ***Order*** is to set forth beginning and ending dates for the irrigation period of use for this water right. As stated in the face of the ***Order***, this action was necessary following the decision of the Idaho Supreme Court in *A&B Irrigation Dist. v. This express statement is necessary to comply with the requirements of Idaho Code section 42-1412(6). This ***Order***, in combination with the ***Partial Decree*** that was issued for this water right on March 3, 1998, sets forth all of the elements of your water right.
