**For Decreed Water Right 36-07096
(Split administratively into water rights 36-07096A
& 36-07096B.)**

**ORDER AMENDING IRRIGATION PERIOD OF USE
ELEMENT IN PARTIAL DECREE and
INCORPORATING INTO PARTIAL DECREE AN
EXPRESS STATEMENT REGARDING GENERAL
PROVISIONS, *NUNC PRO TUNC***

¹ Some or all of these split water rights may have again been split or affected by administrative proceedings following the issuance of the *Supplemental Director's Report*. However, this *Order* only amends the *Partial Decree* that was issued for the decreed water right and addresses only those split rights that were contained in the *Supplemental Director's Report*. Administrative changes to the split rights, if any, that occurred following the issuance of the *Supplemental Director's Report* are not affected by this *Order* and are therefore not referenced.

THEREFORE, IT IS ORDERED that period of use element for the irrigation portion of the above-captioned decreed water right is hereby amended and decreed as:

PERIOD OF USE: 04-01 to 10-31

The use of water for irrigation under this right may begin as early as March 15 and may continue to as late as November 15, provided other elements of the right are not exceeded. The use of water before April 1 and after October 31 under this remark is subordinate to all other water rights having no subordinated early or late irrigation use and a priority date earlier than the date a partial decree is entered for this right.

IT IS FURTHER ORDERED that the *Partial Decree* for the above-captioned decreed water right is hereby amended and decreed to contain the following:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the court at a point in time no later than the entry of a final unified decree. I.C. section 42-1412(6).

IT IS FURTHER ORDERED that this order is being entered *nunc pro tunc* effective as of the date the *Partial Decree* was issued and shall not supercede any subsequent administrative changes to the water right that may have occurred following entry of the *Partial Decree*.

RULE 54(b) CERTIFICATE

With respect to the issues determined by the above judgment or order, it is hereby CERTIFIED, in accordance with Rule 54(b), I.R.C.P., that the court has determined that there is no just reason for delay of the entry of a final judgment and that the court has and does hereby direct that the above judgment or order shall be a final judgment upon which execution may issue and an appeal may be taken as provided by the Idaho Appellate Rules.

DATED: 3-11-02

ROGER BURDICK
Presiding Judge
Snake River Basin Adjudication
