ORDER OF AMENDED PARTIAL DECREE

On April 13, 1998, a *Partial Decree* was issued for the above-captioned water right. However, due to oversight and omission of the Clerk of the Court, the *Partial Decree* was not entered in the Court's register of action (IWATRS). As a result of this error, a duplicative *Partial Decree* was issued on January 2, 2002. The Court has carefully examined the two *Partial Decrees* and finds that neither of them are complete with respect to the remarks contained therein. This discrepancy apparently resulted from the water right having been reported by the Idaho Department of Water Resources in two separate *Director's Reports*, one having been filed on November 2, 1992, and the other on September 19, 1997. (The irrigation period of use for the water right was also reported in the *Supplemental Director's Report* filed August 2, 1999). No objections were filed to either of the *Director's Reports*. Therefore, the Court finds it necessary to issue an *Amended Partial Decree* which contains all of the remarks as reported in the aforementioned *Director's Reports*.

Therefore, IT IS ORDERED that the *Partial Decrees* previously issued for water right 36-15215 are replaced and superceded by the attached *Amended Partial Decree Pursuant to I.R.C.P. 54(b) for Water Right 36-15215*.
