TWIN FALLS, IDAHO

**IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS**

In Re SRBA	)	
	)	ORDER OF PARTIAL DECREE
Case No. 39576	)	
	)	For Water Right 36-00110B

On December 3, 1998, a *Special Master's Report and Recommendation* was filed for the above water right. No challenges were filed to the *Special Master's Report and Recommendation* and the time for filing challenges has now expired.

On April 22, 1998, (Remittitur issued May 14, 1998) the Idaho Supreme Court ordered that the "period of use" element of an irrigation water right must contain beginning and ending dates specifically defining the irrigation season of use rather than simply stating the "period of use" to be the "irrigation season," and remanded the matter back to the SRBA. *A & B Irr. Dist. v. Idaho Conservation League*, 131 Idaho 411, 424 (1998). Following this ruling, on August 5, 1999, the Idaho Department of Water Resources filed with this Court *Supplemental Director's Reports, Reporting Area 31, IDWR Basin 36*, which revised the period of use for irrigation water rights to include specific beginning and ending dates, and contained proposed conjunctive management general provisions. No objections were filed to the *Supplemental Director's Report* as to this water right claim, and the time for filing objections has now expired.

Pursuant to I.R.C.P. 53(e)(2) and *SRBA Administrative Order 1*, Section 13f, this Court has

reviewed the Findings of Fact and Conclusions of Law contained in the *Special Master's Report*. The *Recommendation* made by the Special Master is adopted, with the exception of the period of use, which has been amended to reflect the changes made in the August 5, 1999, *Supplemental Director's Report*.

This water right is subject to any general provision(s) necessary for the definition of the right or for the efficient administration as may be ultimately determined by this Court at a point no later in time than the entry of the final unified decree.

Therefore, IT IS ORDERED that water right 36-00110B is hereby **decreed** as set forth in the attached *Partial Decree Pursuant to I.R.C.P. 54(b)*.

DATED AUG 18 2000.
